

Jack Anderson

Jack Anderson Column New Townsman Feature

A column "Weekly Special," by Jack Anderson, nationally renowned syndicated columnist, becomes a regular feature of the Andover Townsman with today's edition.

The addition of the Pulitzer Prize winning columnist to the Townsman's weekly content, represents the first

national service subscribed to by the newspaper since its inception in 1887.

Anderson, with a staff of five investigative reporters, has been at the bottom of some of the biggest exposes that have come out of Washington. He was first to report that the CIA, FBI Secret Service and other law enforcement agencies were

spying on law-abiding Americans. He began four years ago quoting from some of the files that these agencies kept on prominent citizens.

He was the first to report that the CIA had attempted to assassinate foreign leaders. In a series of

Decision Leaves School Board Quorum

By Robert E. Finneran
Managing Editor
And
Linda S. Corbett

School committee operations will continue through the summer months as a result of a change of mind on the part of Committeeman George F. Olesen, who reneged this week on his announced intent to resign.

Committeeman John F. Lyons did submit his resignation to Town Clerk Elden R. Salter on Monday, effective at 5 p.m. that date.

Olesen's change of mind results in the committee maintaining a quorum. Chairman Francis E. Griggs is away for the summer, thus resignation of the two men would have left the committee with only two members until September.

Replacement of only one man on the committee, through

joint meeting of the selectmen and school committee, does not become a matter of priority, since the school board continues to have a quorum.

Replacement process involves the town clerk notifying the school board chairman and remaining members of the committee. Chairman Griggs must then inform the selectmen who will call the joint meeting.

Chairman Milton Greenberg of the selectmen indicated this week that in view of the quorum being maintained, he did not deem the replacement process one of imminence and would await requests from Griggs.

Olesen Stays . . .

School Committeeman George F. Olesen, Jr., first to announce that he was resigning from the committee at the June 3, session, was first to announce he had changed his mind on the appointed day, Monday.

While Committeeman John F. Lyons was following through on his intent to resign of June 30 in a letter presented to Town Clerk Elden R. Salter, Olesen's wife, Maureen, telephoned Salter to state that her husband was "not resigning at this time."

In a statement, released to

the TOWNSMAN, Wednesday, Olesen, who has a year and six months to run on his current

term, said he had received support from family and friends during the past few weeks, to remain a member of the committee and complete his term.

Olesen also issued an attack on the administration for not in-

forming him and Lyons of discussion of vital issues pertinent to the school department.

He also stated that as he foresees the future of the com-

(Continued on Page 29)

Lyons Resigns . . .

School Committee John Lyons kept his word, and turned in his official letter of resignation at Town Hall Monday.

Lyons and colleague George Olesen had announced at the June 3 committee meeting that they would resign June 30, because the committee was not granted special legal counsel.

Olesen made a final losing attempt for special counsel at last week's meeting, but Monday came and went without his resignation (see separate story).

Lyons, aligned on the "conservative" side of the committee, was elected in February of 1973, and would have been up for re-election in eight months.

But, he said, he had no alternative but to resign if the board

'Vale Bridge Repairs To Curb Truck Traffic

Vale Bridge In Need Of Repair

Condition of a sidewalk and easterly approach to the Andover street bridge in Ballardvale, may have some beneficial effects for Vale center residents.

While the bridge itself and abutments are safe, greater than normal settlement on the

Approaches to the Ballardvale bridge over the Shawsheen River on Andover street, have been found to be in need of repair, which has resulted in lowering the weight limit for the span. Town officials are currently having plans drawn for repair of the problems as well as seeking ways of financing the project.

easterly approach to the bridge, has caused the span over the Shawsheen River to be classed as a bridge under construction and a new weight limit established at 12 tons.

Town Manager J. Maynard Austin reported this week that a bulge in the wingwall at the

northeast corner of the bridge had become cause for serious concern and engineers from Camp, Dresser and McKee were asked to make an inspection.

It was found that the problem is serious and that rebuilding of the approach structures on both sides is necessary.

The reduction in the tonnage limit over the bridge will have a beneficial side effect for the residents of such areas as Clark road and in the general vicinity of Ballardvale center.

Troubled by the increased truck traffic since the development of the Lowell Junction Industrial Park, residents have

sought ways to eliminate the heavy trucks from going through the Vale from Route 93.

The reduced weight limits will make it necessary for the trucks to take an alternate route.

In addition, the recent finding of the bridge condition has resulted in the holding up of the project to tie in the Ballardvale Sewer Treatment plant to the sewer lines.

This was originally scheduled to be done this year, and bids had been called.

The bridge condition, however, will prohibit this project since inversion lines in the vicinity of the approaches will be subject to vibration, and possible damage.

It is now hoped to combine the two projects, bridge approach repair and the tie-in of the sewer lines in one project.

Also, DPW Director Robert McQuade is checking with state DPW officials to determine if Chapter 90 funds can be used to assist in the cost of the bridge repair -- expected to be a major cost.

Camp, Dresser and McKee are currently in the process of developing plans for the actual

bridge repair.

The problem has been caused by what is considered more than normal settlement in the approach areas. The bridge was rebuilt within the past 15 years under a Chapter 90 project.

Town Manager Austin emphasized that the bridge structure is safe in itself, the bridge and abutments being found to be in excellent and safe condition.

Whether stone or paving work will have to be done on the approach areas, particularly the northeast corner, awaits a determination by the consultants.

New Recycling Plan To Begin On Monday

A brand new recycling program will begin in Andover Monday, with a new collector to boot.

Not only is the program billed as more convenient for the townspeople, but it will save some dollars as well.

Bill's Trucking of Essex has been awarded the contract for the new fiscal year, which began July 1, at \$25,000. Last year's contract cost more than \$27,000, and the recycling program never reached the break-even point.

Newspapers, magazines, and corrugated cardboard will be collected on the first and third weeks of the month, on a street's regular garbage collection day,

as before.

Glass and cans will be mixed on the even weeks, however, according to color. On the second week of the month, clear glass and all cans will be collected, and on the fourth week, green glass, brown glass, and cans, will be collected, mixed together.

There is no need to take labels off either cans or bottles, or to crush tins. Both should be rinsed, however.

All recyclables should be placed in double supermarket bags or in plastic barrels. The barrels will be left behind after they're emptied.

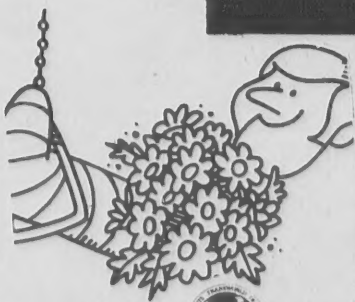

Included with the cans and glass may be aluminum pie tins, T.V. dinner plates and foil.

Any problems concerned with the recycling program may be answered by calling collect, 1-768-6900, or 1-768-6909.

Holiday Observance Friday

3

An Old-Fashioned Fourth of July program is promised for Andover and area residents as the playstead and The Park come alive with holiday activities on Friday.

The sixth annual Fourth program, conducted by the town, with the assistance of Andover service agencies, is aimed at providing a full holiday program, geared to the family.

The events, which include band concerts, exhibits, rides and refreshment booths, will be capped off by a spectacular fireworks display at dusk.

The Bicentennial Commis-

sion will also be participating in the program with the opening of an information booth, located in the police booth in Elm Square.

The program opens at noon at the playstead and park and continues through to the fireworks display at dusk.

In case of rain, the program will be postponed to Saturday.

A mini-olympics program is scheduled for 1 to 3 p.m. at the playstead. Horse rides are scheduled from 1 to 5 p.m. in The Park and a 4H Boots and Saddle Club horse show is set for 1 p.m. near the playstead.

A gymnastics show will be given from 7 to 7:30 p.m. at the playstead.

Signalling the beginning of the program will be a steam calliope, which will be playing at the park from noon to 1 p.m., then proceeding to announce the program musically around the town until 5 p.m.

Other concerts scheduled for the program include the Gay Nineties Revelers, from 1-2:30 p.m. at the bandstand; Dale and The Duds, 2:30-4 p.m. at the bandstand; John Connors Irish Express, 4-5:30 p.m. at the

bandstand.

The popular Clan MacPherson Band will be in concert and drill at the playstead as will the Blue Angels Drum and Bugle Corps prior to the fireworks display.

Rides will include a train ride, hay ride, fire truck, circus train, rock and roll ride and a ride in an antique truck.

An Art Show will be given by the Andover Artists Guild, with other exhibits planned by the Merrimack Valley Bottle Club.

Games planned for the midway include Fourth of July

game, Broadside, Spirit of 1976, basket toss, British toss, Paul Revere race, blockade runner and ring the musket, all keeping with the bicentennial theme.

Booths will be offering cotton candy, hot dogs, pop corn, ice cream, snow cones and tonic during the entire program.

Best of all, the committee in charge of the event has designed the program with the family and pocketbook in mind. Prices are of the old-fashioned variety, thus aimed at insuring an enjoyable day for all, while not hurting the family finances.

THE TOWNSMAN, JULY 3, 1975

Local Students In P.A. Summer Program

A half dozen local boys and girls are among the 570 students in the Andover Summer Session, a six-week intensive program for able boys and girls from 37 states and 16 foreign countries which opened last week.

Sean and Colin Callahan, sons of Mr. and Mrs. William J. Callahan, One Carriage Hill Road; Susan Cascino, daughter of Mr. and Mrs. Lee Cascino, Five Hackney Circle; Melinda Hobauz, daughter of Mr. and Mrs. Aloysius Hobauz, Two Stonehedge Road and Patricia McKee, daughter of Mr. and Mrs. Peter Q. McKee, Hidden Field Road, Phillips Academy, are Andover students at the Summer Session, joined by Peter Allain, Four Bigelow Terrace, Lawrence, and Thalia Kostandin, 19 Gage Street, Methuen.

They are meeting and studying with a rich geographic cross section, unlike that of any of their home schools, whether they come from Andover, Los Angeles, Lausanne, Tokyo or Rome. Meredith Price, Director of the Summer Session, said the 285 boys and 285 girls were chosen from among 900 applicants, almost all of them well qualified, the great majority from public schools outside of Massachusetts. There are 60 students from California alone this summer, and 35 students from foreign countries.

Andover's Summer Session is the largest of secondary school summer schools, Price noted. At this point it probably is also the most widely known in the country.

The faculty consists of both men and women who teach in Phillips Academy's regular academic year program, and teachers from other leading secondary schools, junior colleges and colleges from as far as Texas and California. Many have taught at the Summer Session for a number of years.

Each student takes at least 18 hours of courses selected from a diverse curriculum including such courses as Medicine and Law, Advanced Biology, Introduction to Philosophy, The American Presidency and Intensive Chemistry. Students elect to take these courses on a pass/fail basis or for grades. By studying in Andover's Summer Session, many of them will be able to accelerate in their home high schools.

All the students participate in activities programs, besides their classroom work. They may

elect such options as kayaking, community service at St. Ann's Home in Methuen, or a series of encounters modeled after Outward Bound, as well as traditional sports of soccer, ten-

nis, softball and swimming. For the first time the Andover-North Andover YMCA is conducting a senior life-saving program for students, and is involved in the swimming program.

Trips and tours are also a part of the Summer Session fare. They focus this summer on places of historical interest in the Boston area, as well as trips to Tanglewood, the White Mountains and the seashore.

Playground Personnel Appointed

William McEvoy, chairman of the North Andover recreation council, announced that the recreational council appointed the following playground instructors for 1975.

They are: Playground Supervisor Kerry Long, Arts and Crafts Director Frances Medolo, Sports Director John Doyle, Playground instructors Patricia Doherty, Maura Long, Jeannie MacKillop, Claire McCarthy, JoAnne Sullivan, Margie McEvoy, Bert Lawlor, Frank Androski, Donald Zorn, Jack McEvoy, Thomas Teichman, Brad Niziak and Tim Keegan.

Substitute instructors are Judy Quintal, Andres Donnelly, Tim Keegan and Brian Wolfenden.

McEvoy stated that the Reynolds Playground will not be open because grass had just been planted. All other North Andover playgrounds are presently staffed with instructors for organized play, from 9 a.m. to 1 p.m., Monday through Friday, through Aug. 15.

July Events At Horticultural Hall

The Massachusetts Horticultural Society has two exciting events going on in July at Horticultural Hall on Mass. Avenue in Boston.

Every Thursday evening from 5 to 8 p.m., the society will be conducting special plant Clinics at the Hall, with experts on hand to give out free gardening advice and assistance.

The public is invited to bring ailing houseplants or any garden-

ing problems to these weekly clinics for inspection and treatment by the experts.

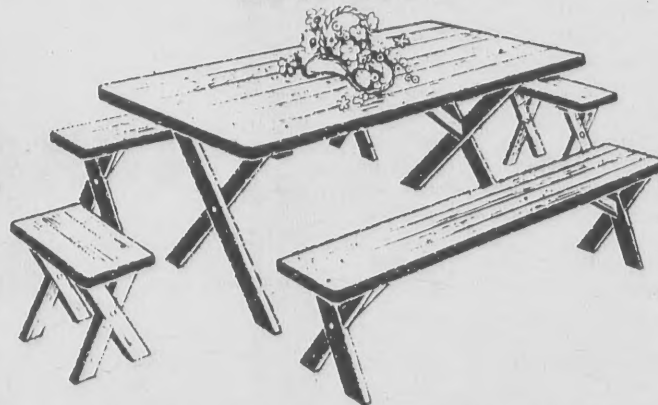

In addition, from July 10 to August 8, the society and the Home and Garden Guild of Massachusetts will jointly sponsor an exhibition called "Design 200," depicting the history of landscape and interior design and the gardening arts through the past two centuries.

Evaluation Policy Gets Approval

5

After "a whole year's work by a lot of people," the school committee last week finally passed a formal evaluation policy for both curriculum and personnel.

The committee tabled, for further revision, a policy having to do with the chain of command in problem solving. It is expected it will be on the agenda Tuesday night when the committee - now trimmed to the bare quorum by John Lyons' resignation and Chairman Frank Griggs' summer off - meets at 7:30 p.m.

Record Crowds At Pond

Last week's hot spell brought scores of sunbathers to Legion Beach in North Andover, with Tuesday's crowd breaking the record for attendance in the history of the pond.

Both parking lots overflowed and cars were parked in the street.

A total of 551 swimming lessons were given on Wednesday and Thursday, the first two days of lessons. They will continue for eight more weeks, from 10 a.m. to noon, Monday through Thursday. Interested persons may sign up with the guards at the pond.

The pond is open to North Andover residents only, and stickers may be obtained at the North Andover Police Station.

Sebastian C. DiSalvo, 91 Beverly Street, has been granted permission to operate the concession by the Board of Public Works.

Teacher Vacancies Announced

The office of the North Andover superintendent of schools has announced that the following vacancies exist in the North Andover school system for the school term commencing next September: two language disability teachers, a special needs teacher (Grades 9-12), a special needs teacher (developmental disabilities - multi-handicapped older adolescents), a school psychologist (master's degree and certification as a school psychologist - experience in psychological assessment of a wide variety of special needs children with a focus on elementary children), an art teacher (middle school - Grades 6, 7 and 9), and a developmental - remedial reading teacher (Grades 9-12).

Experience is preferred.

The salary schedule is from \$9,200 - \$16,500.

Applicants should apply to Peter V. Garofoli, superintendent of schools, Atkinson Elementary School, North Andover, Mass. 01845.

On Dean's List

Mary R. Macklin and Sandra L. Webb, both of Andover, have been named to the dean's list for the spring term at Framingham State College.

in Stowe School.

The evaluation "and accountability" policy deals with the achievement of all personnel and curriculum, according to school committee objectives.

It stipulates that the superintendent or "his central office designee" must personally observe every person he recommends to serve at discretion.

"If the immediate supervisor and the principal do not agree on the evaluation or recommendation, the superintendent or associate superintendent must observe the personnel and make a recommendation to the school committee."

The associate superintendent, the policy says, is responsible through the superintendent to the school committee, "for conducting continuous program evaluations with the objective of achieving an effective curriculum in accordance with his policy."

The objectives of the committee are spelled out as follows:

"1. To promote education which is intellectually stimulating at the highest possible level of academic and vocational achievement for each student.

"2. Develop citizenship and a sense of heritage; scholarship; respect for the environment, self, and property; and the ability to live productively with others.

"3. All curriculum evaluations and recommendations must be consistent with performance comparisons of both internal and external testing and assessment."

Committeeman David Ahouse explained the problem-solving policy as simply the establishing of procedure for the first go-around for people with problems.

It was tabled only after Elaine Viehmann felt the introduction needed revision.

Essentially the policy provides that problems should be expressed by parents or members of the community at the lowest possible level of school organization. If

not resolved at that level, they would be referred to the next highest level, through faculty, principal, central administration and superintendent, up to school committee.

"Concerns and problems brought to the attention of the school committee," it says, "will be referred as soon as possible to

the superintendent for appropriate action."

While Superintendent Kenneth R. Seifert called the policy "a needed one," it was perhaps triggered recently when a group of Shawsheen School parents brought a problem to the school committee, without first taking it to the school or administration.

Flood Zone Rule Is Adopted

A public hearing was held Monday night by the North Andover Planning Board to amend their Rules and Regulations on Flood Plain Zoning.

The following new paragraph was added to Section 11 B in the planning board's regulations.

13. "In addition to all other requirements hereunder, the Planning Board will review all proposed subdivisions and all new construction in accepted subdivision within any FIA flood hazard areas as designated on the FIA Flood Hazard maps as adopted by the Town to determine that all such proposed subdivisions are consistent with the need to minimize flood damage by providing adequate drainage so as to reduce exposure to flood hazards within the subdivision and on adjacent land and by requiring that all utilities be located and constructed so as to minimize or eliminate flood damage."

This addition to the planning board's regulation was necessary in order to comply with the National Flood Insurance Program and it had to be included in the board's rules by June 30 in order to qualify for FIA.

If there is any new construction within the flood hazard map area (this map was accepted at

the town meeting) the construction will be subject to review by the planning board, the board of public works and the board of health.

Attorney John Willis questioned the addition of this section to the rules and regulations. Willis stated the addition of this paragraph is anti-development because it gives the board the power to eliminate construction along the flood hazard area.

"I don't think the town knew the power they were giving the

planning board when they voted on the FIA Articles," said Willis.

Also there was mention of the fact that North Andover hasn't had a flood in many years.

Chairman of the Planning Board William Chepulis stated that at the town meeting the town voted to accept the FIA Articles. The town voted to accept the Flood Hazard area map and to join the National Flood Insurance program and what we are doing here is just complying with Federal Regulations.

Special Exhibit At Library

In honor of the North Andover Fourth of July celebration, the Stevens Library has a special exhibit of early American flags, stamps commemorating historical events, a model of Independence Hall, and pictures of the signers of the Declaration of Independence.

The exhibit is located in the Children's Room. The historical stamps are loaned for the exhibit by Michael Taylor who is 11 years old and going into the fifth grade at the Franklin School.

Hearing On River Plan

The Division of Water Pollution Control will hold a Public Hearing to receive comments on the Merrimack River Basin Plan on Wednesday, July 16 at 7:30 p.m. at the Lawrence Library Irving Saunders Room.

This hearing is the final step prior to adoption of the document as the water quality management plan for the Merrimack River under the provisions of

Section 303e of the Federal Water Pollution Control Act. The plan is based on an intensive water quality study of the river by the Division as well as planning efforts by other agencies. The Water Quality Standards for the basin have been reviewed and updated to reflect the May, 1974 revisions. Treatment requirements for each discharge required to meet these standards have been established.

A copy of the complete final draft can be obtained by written request to the Massachusetts Division of Water Pollution Control, P.O. Box 545, Westborough, Mass. 01581

Providing A Holiday For Youngsters

The John Cronin Associates will sponsor approximately 50 children from St. Ann's Home, Lawrence, to spend a fun-filled day at the Andover Fourth of July Celebration. The group's check was recently presented to Dr. Patrick Villani, Executive Director of the children's home, and will be used to provide bus transportation for the children and their supervisors from the home, and to provide each child with tickets for rides, games, and refreshments at the annual celebration

Children's Program At Library

Make a puppet, watch a film, involve yourself in a story - - at the Stevens Memorial Library this summer. There will be three story hour groups meeting Tuesdays for pre-schoolers who will be four by July 1. Stories, films, puppet plays, and crafts will fill the 45 minute program.

Children going into the first, second, and third grade are invited to Wednesday at 2 programs. Films, stories, and crafts including flibbers, wood sculpturing, popcorn mosaics, and many more will be featured.

Workshops for fourth, fifth, and sixth graders will be held Thursdays at 2. Sawdust sculpturing, making God's eyes, wood building, newspaper modeling, puppets, and dough making will be topics of the 6 workshops.

The Friday film schedule includes the original Rin Tin Tin, Elsa and her cubs, the Lorax, Punch and Jonathan, the Legend of Sleepy Hollow, Laurel and Hardy and many more titles.

All programs will begin the week of July 8 and will run through Aug. 15. Please register for all programs the week of June 30. The pre-school program will be limited to 15 per session and will be filled on a first - come - first - served basis.

For additional information, stop in the Children's Room.

To Study Drama

Tobie S. Stein, daughter of Mr. and Mrs. Stein of 3 Glen Cove, Andover, will attend Emerson College this fall. Ms. Stein plans to major in Dramatic Arts as a Freshman.

Emerson College, located in Boston's historic Back Bay, is a four-year coeducational institution specializing in the creative and performing arts and the communications arts and sciences.

Six Get Degrees At Bentley

Six Andover residents were among the 385 students who received degrees at Bentley College's 56th annual commencement May 17 on the Waltham campus.

Senator Edward M. Kennedy was the featured speaker.

All the local graduates received bachelor of science degrees. They include Bruce L. Campbell, 44 Lowell Street, with highest honors; Edward R. Lapoint, 18 Topping Road, honors; Roger A. Lucey, 8 Glen Meadow Road;

Gary W. Mattheson, 8 Clark Road, highest honors; Robert L. Monette, 11 Stratford Road, highest honors and Michael J. Walsh, 112 High Plain Road, high honors.

Bentley is the eighth largest private educational institution in the state, and has a reputation for excellence in the field of accounting and finance.

All Together NOW

Free checking, 5% savings and NOW automatic credit!

Now Andover Bank lets you get even more out of your NOW Account than you put into it. Here's how. You and Andover Bank decide on a line of credit; the amount of extra money you can call on any time the need arises. Then, any time you want to write out a check for more than you have in your NOW Account, your pre-arranged credit makes up the difference. It's like making a loan to yourself in your checkbook. And you don't pay for the service till you use it.

If you already have a NOW Account with us, drop by and ask for Altogether NOW. And you'll never have to worry about a bouncing check again. And, if you're still not enjoying the one account in one bank that gives you 5% interest on savings PLUS really free checking, isn't it time you got NOW? Now that NOW is more than ever proves you really DO do a little better at Andover Bank.

The Water's Just Fine

Summer weather to date has been perfect for such things as swimming and enjoying a cooling sip. Here, Bill and Colleen Hurley, Patty and Janice Hart and Eddie Hanson of North Andover, enjoy the facilities at Steven's Pond, North Andover.

Davis Retirement Accepted By Board

The Andover School Committee last week accepted the retirement of Elwyn Davis, a high school science teacher who had been with the system since 1967.

They also approved five other resignations and six appointments.

The resignees include Mrs. Marion Davis, a home economics and child care teacher at the high school, who has been with the system since 1969; Jonathan Hannaford, media technician since 1972; Mrs. Judith Morris, a high school Spanish teacher with the system since 1970; Mrs. Carol Movahed, high school English teacher since February, 1970; and Miss Carla Wichman, health teacher at West Junior High since 1972.

Joann Samra also resigned as assistant girls' field hockey coach at the high school for the fall season.

Among the six elections, Mrs. Anne Bailey was named to teach home economics at East Junior High; Miss Dorothy Bajoras, primary grades at South School; Mrs. Sandra Goldberg, grade three at West Elementary; Stephen Lamoine, math at East Junior High; Mrs. Dolores Pelc, grade two at Doherty, and Mrs. Cynthia Smith, grade three at Sanborn.

Mrs. Bailey of Andover, received her B.S. from Framingham State College in 1959, and has since taught home ec at Tewksbury High School, and part time at East Junior High. She fills the vacancy created by the resignation of Mrs. Gaynor.

Miss Bajoras of Lawrence, received her B.S. degree from Salem State in 1973. She has been an instructional aide and a per-

manent substitute at South School.

Mrs. Goldberg of Andover, received her B.A. from Boston University in 1958, and her M.Ed. from Boston University in 1959. She has been an instructional aide at West Elementary and a half-time primary level teacher. She was appointed full-time primary level teacher from February, 1974, until June of this year, to replace a teacher on maternity leave. She now replaces Mrs. Hemonoff who resigned.

Lamoine received his B.A. from Salem State in 1974, and has been a permanent substitute at East Junior High, replacing a teacher on maternity leave. He now replaces Mrs. McLellan, who resigned.

Mrs. Pelc received her B.S. from the University of Maine, has since taken early childhood courses at Lowell State, and has

15 credit toward her master's degree at Salem State. She previously taught French and Latin at Orono (Maine) High School, has taught kindergarten in the summer Deerjump program here, and was an instructional aide at Bancroft for the past school year. She fills the vacancy created by the death of Mrs. Runyan.

Mrs. Smith received her B.A. from Lowell State College this year, and had done her practice teaching at Sanborn School. She replaces Mrs. McGarry, who resigned.

Mrs. Kathryn Crawford of Andover was also appointed a teacher aide at Bancroft. She received her B.A. from Northwestern University in 1961. She has taught high school history in Norfolk, Va., and has been a volunteer aide at Bancroft. She fills the vacancy created by the resignation of Mrs. Nielsen.

The Capt. Samuel Brocklebank Museum, Route 133, Georgetown, features outstanding early ironware collections. Wednesday, 2 to 5; Saturday, 1:30 to 5; Sunday, 1:30 to 5:30.

HOBSON'S CHOICE!

When buying insurance, are you offered the same choice that 17th Century liveryman Thomas Hobson offered his customers?

Remember, he was the one who contrary to the custom of that time refused to show his stable of horses to a potential customer, instead bringing out only one horse for their approval. Rumor has it that the stable was empty, that he had only the one horse!

At Smart & Flagg we don't have any horses . . . WE DO HAVE many insurance companies and we'll help select the one that best suits your needs.

Racing Through Summer

Peter Caruso, three, and Laura Cirella, six, seem to be racing through the summer time, or attempting to prove the worthiness of their vehicles. In any case, the scene is typical of summer activity with the weather perfect for vacations and just plain relaxing.

Museum Open On Holiday

Even though you can no longer light firecrackers or send an exploding rocket into the sky on the

Fourth of July, this year you can go to the Museum of Science.

For the first time in its recent history, the Museum will be open that day from 10 to 5. And to mark the occasion in this Bicentennial period, the Museum will give away 200 Yankee Doodle door prizes. Lucky ticket

holders will receive such goodies as a free pass to the Planetarium program, ice cream cups from the Museum's Friendly shop, dinosaur poster-games, toy dinosaurs, Mister Rogers songbooks, or pinwheels.

The Bicentennial theme is the subject of the current Planetarium program, "Star Spangled Sky," which traces the development of astronomical knowledge from the beginnings of the nation to the present.

Given regularly at 11 a.m. and 2:45 p.m., the program has a fee of 50 cents above Museum admission.

The Fourth's scheduled events also include free live animal and physical science demonstrations, which are announced over the public address system.

Among new exhibits in the Museum are the multi-unit Bird Biology, test-yourself Decision Driving, and the display of drawings of animals by Harvard University Press science textbook illustrators Dr. Gale Cooper and Sarah Landry.

Atty. Burns Elected To Bar Board

Atty. Thomas D. Burns of North Andover, a partner in the law firm of Burns and Levinson, Boston, has been elected to the Board of Delegates, the governing board of the Massachusetts Bar Association.

Burns is a 1943 graduate of Boston University Law School, a fellow of the American College of Trial Lawyers, and a member of the MBA committee on Judicial Complaints.

For Those Of Us Who Are Older

Do you know about Andover's drop-in center for senior citizens? It is located on Barnard Street behind the town hall and is open every day from 10 to 4, and is called The Haven. And that is exactly what it is - a place to make new friends and enjoy the old friends, a place to learn things, a place to share a quick cup of tea or play some cards or a game of pingpong. If you are 60 or over you are welcome to join in the activities.

On July 22 there will be a pot luck lunch at The Haven. Just bring something to eat - a casserole or a salad or a dessert, perhaps rolls and butter and join everyone about noon for lunch. It will be great fun and a lovely opportunity to renew old friendships. No reservations are needed. Just come!

The Haven is sponsoring a day at Hampton Beach on July 15. The bus will leave Barnard Street about 10 and return late afternoon. The trip will cost \$2 for your transportation. Anything you may eat in the course of the day is additional. Reservations are required so stop by The Haven today to place yours.

July 26 is a Theater Party at the Beverly North Shore playhouse. There will be a luncheon and fashion show

followed by Kitty Carlisle performing in Cole Porter's musical *You Never Know* ... all for \$6.75. Reservations at The Haven.

On Dean's List

Seven area residents achieved a grade average of 3.2 or higher during the spring term at Fitchburg State College, and have been named to the dean's list.

From Andover, are Robin J. Brown, Margaret Domasinsky and Ann P. Martellini; from North Andover, Grace A. Ciofalo, Deborah W. Closson, Carol E. Lord and Mary E. Milne.

Receives Top Boy Scout Award

Scoutmaster Richard Shupe and Mrs. Roberta Shupe look on as son, Gregg receives Eagle Award from James Batchelder. Gregg was the recipient of the top award in Scouting at the recent Court of Honor held at West Parish church.

Top Scout Honor Presented

In a ceremony held at West Parish Church on Wednesday, June 18, as part of Troop 77 Spring Court of Honor Gregg Shupe was presented the Eagle Scout Award, the highest Rank that a boy can receive in Scouting.

Gregg Shupe is the son of Mr. and Mrs. Richard Shupe of 76 Salem Street.

Master of Ceremonies was James Batchelder assisted by other Scout Leaders, Dean Burns and Martin McGowan.

Gregg, a member of the Order of the Arrow, has been a Patrol Leader, Quartermaster, Assistant Senior Patrol Leader and was recently elected to be the Senior Patrol Leader. He attended the last National Jamboree at Farragut State Park in Idaho in 1972 and will be attending Philmont the Scout Reservation in New Mexico this summer.

Awarded Dartmouth Degrees

Four Andover residents were among more than 700 students to receive their bachelor's degrees at the 205th commencement exercises of Dartmouth College, Hanover, N.H., June 8.

They are Linda S. Allen, daughter of Mr. and Mrs. Richard M. Allen, 3 Hansom Road; Brian Joseph Crush, son of Mr. and Mrs. Jack Ray Crush, 8 Mathews Street; Peter W. Leitch, son of Mr. and Mrs. John B. Leitch, 19 Kathleen Drive; and Richard M. Soule, son of Dr. and Mrs. Francis G. Soule, 5 Timothy Drive.

Ms. Allen graduated magna cum laude, and received a degree of distinction in the subsection of biology. A 1971 graduate of Acton-Boxboro Regional High School, she transferred to Dartmouth from Smith after her sophomore year. She was active with the Dartmouth Outing Club and the Ledyard Canoe Club.

Crush, a 1971 graduate of Andover High, graduated magna cum laude, and received a degree of high distinction in the field of history.

Leitch, also a 1971 graduate of Andover High, has served with the New Hampshire National Guard, and Soule, a 1968 graduate of Phillips Academy, was a sports writer with The Dartmouth, the undergraduate daily paper. He was also manager of the varsity golf team.

Dartmouth College is the ninth oldest institution of higher learning in the U.S., and the northernmost of the eight Ivy League schools. It was the last to receive a colonial charter from King George III of Great Britain.

Potatoes were taken from Peru to Seville around 1570. It took about 200 years to convince Europeans that this exotic relative of the deadly nightshade was edible. Massachusetts Audubon tells us. A French scientist promoted potatoes by keeping an experimental potato field under ostentatious guard, and by presenting a bouquet of potato flowers to Louis XVI and Marie Antoinette.

Awarded Degrees At Brown

Two Andover residents were among the 1300 who received baccalaureate degrees June 2 from Brown University, Providence, R.I.

Andrew G. Malis, son of Mr. and Mrs. Irving Malis, 12 Marilyn Road, received a bachelor of science degree in computer science, while Jennifer D. Zollner, daughter of Mr. and Mrs. Robert S. Zollner, 249 Highland Road, received a bachelor of arts degree in

biology.

Brown is the nation's seventh oldest college. This was its 207th commencement.

Receives Degree At Bates

James E. Hartrich, son of Mr. and Mrs. Jerald J. Hartrich of Andover, received the degree of bachelor of arts at the 109th commencement of Bates College, Monday, June 9.

Hartrich, a psychology major, was a four-year Dean's list student. He was a member of the Outing Club and the Campus Association, an all-campus service organization.

Their Service Appreciated

Sisters at St. Augustine's school, who have been transferred to other locations after many years of service to the Andover parochial school, were recently honored at a reception. From left, Sister Estelle, Sister Clair, Sister Ellen and Sister Louise, all members of the Sisters of Notre Dame de Namur.

Summer Program Begins At West Parish Church

The summer program at the West Parish Church is already underway with Rev. David Duncan leading a small group of young people at a retreat in Maine. There will be several other such retreats in Maine and New Hampshire over the remainder of the summer. Monday nights at the church will be Recreation Nights for young people with volleyball, softball, games and music. Young people in the community are urged to join the Monday night activities.

On a more serious note, Janna Hobbs and Sally Newhall will lead a workshop for junior and senior highs dealing with the women's movement. This group will meet on Thursday evenings, beginning July 17.

On Sunday evenings a seminar for parent and youth will be conducted beginning Sunday, July 13, at 7:30. This is an excellent chance for parents and youth to explore together the area of parent-youth communication and there are still several spots open. Elementary school age

children (5-12) are invited to join in a program of outdoor adventures, songs, stories, and games that will focus on the theme, "God Is Creating." The children will meet each Sunday morning on the green across from the church.

There will also be a day camp center for children from 4 to 8 years of age at the church on Monday and Thursday mornings from 9 to 12. There is a registration fee of 50 cents for the summer, and a charge of \$1.50 per session for each time the child attends. The children will be under the leadership of Dave Jordan, Heidi Smith and Andy Campbell. Persons wishing to sign their children up can call Dave Jordan or the church office.

On Tuesdays there will be trips and swim for mothers and children. Under the direction of Faith Johnson, families will either visit a Parish Pool or travel to some interesting spot in the area.

On Thursday mornings, those interested persons will study the

Parables of Jesus at the church; sessions will begin July 10. Child care will be provided.

On several summer weekends Doug Viehmann will lead five small camping retreats in the White Mountains. Janna Hobbs will conduct a creative writing program, the time depending upon the wishes of the participants.

For the entire congregation, the Sunday morning services are being held at 9:30 a.m. with lay people and staff members alternating with leading the services. Coffee hours, as is the custom

(Continued on Page 25)

South On Summer Schedule

South Church in Andover will hold its Morning Worship Services at 9:30 a.m. during the summer months, beginning Sunday, July 6 and continuing through Aug. 31.

A Christian Education program for children S.L.M.F.T., "Summer Learning Means Fun and Togetherness" will be held on Sunday mornings during the worship hour, through Aug. 24, with the exception of Sunday, July 6. First through sixth graders will meet in

Fellowship Hall and 3 to 5 year olds will meet on the second floor in the Kindergarten Room.

Nursery care for infants and young children will be available every Sunday during the summer months in the Crib Room on the first floor.

Rev. Daniel S. Wright will be in charge of ministry and will preach during the month of July, and Rev. Dr. J. Everett Bodge will preach and be in charge of ministry at South Church during the month of August.

Ruth Club Holds 8-3 Record

By Rick Harrison

The Andover Babe Ruth baseball team departed for Montreal, Canada last Tuesday morning, and is scheduled home later tonight, but prior to leaving, the locals chalked up a 7-3 Greater Lawrence League win over South Lawrence West at Mount Vernon Park.

The victory sent Andover northward with an 8-3 regular season record, and 12-3 ledger including pre-season action.

Tom Coffey fired his fourth complete-game victory in the SLW clash, permitting only four hits and striking out six.

Coffey also helped himself at the plate, boosting his seasonal average to .338 by going 4-for-4

with a triple, double, two singles, three RBI and two runs scored against losing chucker Tony D'Anna.

Andover grabbed a 1-0 first inning lead after two were out. Coffey singled, Dan Hayes walked and Gary Needham stroked a bad-hop RBI single.

Dave Farrell and Paul Kelly led the locals' second stanza with back-to-back walks. Mike Henderson was safe on a fielder's choice to jam the bases. Danny Grams drilled a long sacrifice fly for one run, and Coffey hammered a two-bagger driving home another run for a 3-0 advantage.

SLW struck back in the bottom

of the third. Jack O'Keefe's slicing flyball was misjudged for a triple. Steve Guilmette walked and quickly stole second although Andover tried to nail him. Consecutive infield outs by Nick Guerrero and Walt Wila chased home the runs, making it 3-2.

Coffey led the Andover fifth with a tremendous triple to centerfield. Gary Needham was hit by a pitch and promptly swiped second. Coffey raced home on a passed ball, with Needham taking third, and then Dave Farrell's perfectly executed, two-out squeeze bunt brought home Needham for a 5-2 score.

Bill Stahley opened the Andover sixth with a double. Bob

Zwicker was hit by a pitch, and Grams reached on a fielder's choice grounder. Coffey then capped the Andover offense with a two-run single.

In addition to Coffey's 4-for-4 performance, Gary Needham added two safeties and Mike Henderson drilled a clean single through the shortstop hole.

Defensively, Dave Birnbach initiated his second doubleplay from rightfield by stabbing a long liner and firing to shortstop Dave Farrell to complete the twin-killing. It was the locals fourth DP overall.

Mike Henderson also played flawlessly at third base, handling several slow rollers before switching to shortstop where he made another fine defensive play.

Andover's 13-year-old ballplayers Bill Stahley, Larry Larrabee (two-run double), Pete Peeney and Jim DiTroia showed well in a game last Saturday under the arc lights at Lawrence Stadium.

Tom Coffey and Bob Zwicker will represent Andover on the G-L All-Star team, which opens tournament play this weekend by hosting Peabody at the Stadium.

Next week the regular season resumes as Andover faces Tower Hill Monday evening, hosts North Lawrence on Tuesday and travels to North Andover Thursday night.

Danas Takes Over Top

Dana's has moved into first place in the Recreation / Community Schools Department Men's Softball League winning three games this week upping their record to 7-3.

Dana's took a 6-1 decision over Whitworth's behind Vito Ciati's 4 hit pitching. Collecting 2 hits

apiece for the winners were Andy Shea, John Gaunt and Charlie Heselbine.

B. J. Collins was on the short end of a 15-8 game with Dana's as the winners rapped out 20 hits. Paul Eaton had 3 hits for Dana's while Caplan and Moody collected 2 hits apiece for B. J.

Collins.

Dana's scoring 3 runs in the 7th bested Doherty's 9-8 dropping Doherty's into second place. John Gaunt's bases loaded single provided to be the game winner for Dana's. Don Cochrane hit a 2 run homer for Doherty's.

Athletics Finish Undefeated

The American Little League concluded its regular schedule in the 9 year-old division last Friday. The Athletics finished as undefeated champs by topping the last-place Indians. The Bruins dropped their final game, but remained in second place. The Twins split a pair of games, including a no-hitter, to finish in third place.

Twins No-Hit Bruins

Twins pitcher Doug Lindquist turned in a pitching masterpiece by serving up a no-hitter in downing the Bruins, 3-0. Lindquist struck out 14 enroute to the Twins third victory. Twins with the big bats were Rodney Hollenbeck, Robbie Viellieux and Jeff Smeltzer. Jeff Crowninshield made a fine play with

the glove to conserve the no-hitter.

Indians Top Twins

The Indians turned in their second season victory by topping the Twins, 10-7. Tom Bolduc and Garin Clint split the pitching for the Indians while Bill Foley supported with the glove. Greg McAnern and Brian Sheehy had 3 hits each for the winners. Jeff Crowninshield and Rodney Hollenbeck shared the Twins pitching chores. Doug Lindquist, Robbie Viellieux and John Nerdin did the heavy hitting for the Twins.

Athletics Over Indians

The Athletics finished their

regular season with a perfect 9-0 record by dropping the Indians, 8-5. A's pitcher Scott Zimmerman, pitching to his fifth victory, struck out 13, walked 6, and scattered 4 hits in an abbreviated 5 inning contest. Zimmerman helped his own cause with a bases loaded triple. Mike Coelho smashed a two-run homer and Mike Griffin had a big hit for the winners. Garin Clint and Tom Bolduc shared the Indians pitching. Tim Jennings and Greg McAnern did the Indians hitting while Brian Sheehy and Steve Duly made fine defensive plays.

Final Standings

	W-L
Athletics	9-0
Bruins	4-5
Twins	3-6
Indians	2-7

Senior League Results

Andover Senior Baseball League results for the past week:

Sox Hang On

A brilliant pitching job by Red Soxer Kevin Daly was matched by Pirate hurler Paul Bracken who came on in relief of Steve Curtis and pitched a one hitter in a losing effort. The Sox won 4-3, pushing two runs across in a come-back 7th inning. Tony Sanchez ripped 3 singles for the

Pirates while Greg Nicastro and Mark Guittarr had one apiece. Chris Elliott made two saving defensive plays for the winners.

Sox Take Two

The Mets lost twice to the surging Red Sox now 7-3 who avenged an earlier opening day loss. The Sox tallied 3 in the last inning to overcome a 2 run deficit and win a heart stopper 11-10 in a game

marred by 17 walks and 10 errors. Guy Nicholas made a saving catch for the winners. George Stansfield led an 11 hit attack with 2 singles and 2 RBIs. Pete Chicklis, Len Foote and Dave Carignan had solid performance for the Mets.

In the last game, pitcher Randy Hayman spaced 2 hits enroute to an 8-5 triumph. Robbie Wilkins went two for three, stole 2 bases and scored 3 runs to lead the Sox. Len Driscoll collected both of the Mets Hits. Wiseman pitched a steady 7 innings despite taking the loss.

Dodgers Crushed

The high flying National League Dodgers were stopped 9-3 by the Red Sox seniors. Supported by an 8 hit barrage and at least two defensive gems, Keith Sampson earned the victory. Center Fielder Bob Kramer nailed runners at the plate and 3rd base teaming up with catcher Tim Dubois and 3rd sacker Chris Elliott. Frank Pelletier had 2 hits for the Dodgers matching two hit efforts by Randy Hayman, Will Wright and Bob Kramer of the Sox.

The over-riding objective of all Farm Bureau organizations is to provide a climate where farmers can get a satisfactory living and stay in the forefront as the most efficient and productive agriculture in the world. The nation and the consuming public benefits as well by this policy.

Yanks Off To Fast Start In LL Second Half

13

THE TOWNSMAN, JULY 3, 1975

By Rick Harrison

Backed by the amazingly solid pitching of Bob Heidt (no-hitter), Chris Doherty, Glen McIntyre and Mike Romano, the Andover American Little League Yankees lifted their perfect second-half record to 4-0 last week with three hard-earned victories.

Over in the National League, meanwhile, the first-half champion Giants continued to roll on undefeated by notching their third successive triumph of the second-half and sixth straight decision overall.

The AL Red Sox also kept winning, boosting their mark to 3-0. Yankees, 5-2

Clutch hitting by Robbie Slayton and consistent hurling from Glen McIntyre combined to produce a 5-2 Yanks' conquest of the White Sox.

Slayton snapped a 2-2 deadlock in the fifth inning, slamming a two-run double to highlight a three-run uprising. For the game Robbie finished with two hits, three RBI and one run scored.

Glen McIntyre spun a seven-inning on the hill, fanning six and

issuing no walks to collect the win.

Glen Johnson rapped a brace of singles for the Yankees, while Bob Heidt and Chris Doherty chipped in solo safeties.

Mike Ganem was the tough-luck losing pitcher for the Sox, allowing six hits, whiffing eight and walking three.

Dave White hammered a two-run double for the losers while Ganem, Alexander Roberts and Rick O'Shea drilled two singles apiece.

Heidt No-Hits Indians
Lefty Bob Heidt turned in the pitching gem of the season thus far in the AL, stopping the Indians 11-0 on a no-hitter and near-perfect game.

Only one Indians' player reached base, as a first-inning error spoiled the perfect game. Heidt struck out six, and for the second consecutive game the Yanks' hurler walked no one.

Billy Vickers, 9-year-old outfielder, made a fine running catch in the first stanza to preserve the no-hitter.

The Yanks' offense struck for three runs in the first, as a long two-run double by Chris Doherty keyed the outburst.

The winners doubled the lead to 6-0 in the third, as a long two-run double by Chris Doherty keyed the outburst.

The winners doubled the lead to 6-0 in the third, and two-run singles by Keith Wilson and Dennis Glynn boosted the score to 11-0 in the fourth.

Chris Doherty slugged a two-bagger and single for the Yanks. Chipping in one single each were Bob Heidt, Glen Johnson, Kevin Wilson, John Maginnis, Gary Forbes, Dennis Glynn and Mike Romano.

Bob Patterson worked two innings on the mound for the Indians, but was relieved by Jeff Parker in the third. Together they permitted 11 hits, fanned six and walked six.

Heidt's Double Wins, 2-1

Chris Doherty of the Yankees and Steve Rathbun of the Twins hooked up in a superb pitcher's duel, and when both left the scene after six frames the game was tied 1-1.

Doherty had twirled a four-hitter, whiffing 11 and walking two. Rathbun had countered with a six-hitter, striking out seven and issuing two free passes.

The contest extended into extra innings, but Glen Johnson and Bob Heidt made sure it didn't go beyond the seventh.

Johnson reached base on the second of his two singles, and Heidt promptly rescued the Yankee catcher with a game-winning double.

Heidt was the overall offensive standout with 3-for-4, including two singles and a double. Bob scored the Yanks' first run in the third after Keith Matheson laid down a perfect squeeze bunt.

Glen McIntyre, Chris Doherty and Matheson added one single each.

Trailing 1-0 in the fifth, the Twins forced extra innings when Dave Fredette scored from first base as Ben Bram's single was misplayed in the outfield.

Barry Goodman lashed a triple for the losers. Jeff Nicastro, Steve Rathbun and Bram had Twins' singles.

Mike Romano relieved Doherty in the seventh, because of a Little League rule limiting a

pitcher to six innings per week, the Mike blanked the Twins to secure the mound win. He walked two, but surrendered no hits.

In 19 innings during the week, Yankee hurlers displayed fantastic control by walking only four batters.

Giants Scalp Braves, 9-1

The Giants coasted to a 9-1 victory over the Braves, as winning chucker Fred Foote scattered seven hits and whiffed six.

Foote again helped himself at the plate with two singles and his second homerun in two games.

Wayne Merola spiked three safeties, Dave Leitch laced two doubles and one single, and Scott Smith laid down a beautiful sacrifice bunt.

Greg Sacco was the Giants' defensive star in rightfield, cutting down a Braves' runner trying for extra bases.

John Ingemi punched out two singles for the losers, Doug Kirkland unloaded a three-bagger, Chris Williams starred defensively in rightfield and Ken Smith was the losing pitcher.

Sox Dump Tigers, 5-2

The first-half AL champion Red Sox, who battled the Yankees last night after TOWNSMAN presstime, remained hot on that club's heels following a come-from-behind 5-2 triumph over the Tigers.

The losers chalked up single runs in the top of the first and third innings to take a 2-0 lead, but the Sox struck back for a quartet of markers in the bottom of the third and were never headed thereafter.

Starting Red Sox pitcher Ed Powers and reliever Richie Sambuco split the duties with three innings apiece, combining for a five-hitter. They fanned nine batters and walked four.

Losing chucker Scott Tobey deserved a better fate. He tossed a six-hitter, struck out seven and didn't walk a batter.

Don Bliss powered the victors' attack with a solo homerun, his first of the season, while Tom Hetley rapped an RBI double and Richie Sambuco lofted a run-scoring sacrifice fly.

Chipping in singles were Todd Zimmerman, Ed Powers, Tom Wilkins and Tommy Powers.

The Tigers' big sticker was Tom Jarek with 2-for-3, including an RBI double. Mike Riley also chased home a run with a two-bagger, while Steve Stabile and Ira Gold stroked singles.

Defensive leaders for the Sox were leftfielder Tom Powers, who made two fine catches, and third sacker Jeff Demers.

Centerfielder Tom Jarek starred for the Tigers.

Tigers 25, Indians 4

The American Little League Tigers stomped the Indians 25-4 Monday night, with Scott Tobey going the route for the winners. He issued four walks and six hits and aided his own cause by contributing two doubles.

Tom Jarek was the big gun for the winners carcking his second grand slam homerun of the season in addition to a pair of doubles. Stephen Stabile had four singles and Ira Gold and Mike Reily each had doubles.

AL All-Stars

A total of 20 boys were selected for tryouts on the Andover American All-Star team, and practices are currently underway to slice the squad down to the required 14 players by July 8.

Battling for the available berths are Red Soxers Ed Powers, Richie Sambuco, Don Bliss, Tom Hetley, Ted Kelley and Tom Wilkins. Twins' hopefuls include Jeff Nicastro, Steve Rathbun, Dave Gusmini and Jeff Bruk. Yankee candidates are Bob Heidt, Chris Doherty, Keith Matheson and Glen Johnson.

Indians players include Bob

Patterson, Ron Jones and Frank Beatty. Completing the list are Tigers Mike Riley and Steve Stabile, along with Mike Ganem of the White Sox.

Coaching the AL 'Stars are Frank Monette, Dick Heidt, Don Rathbun and pitching mentor Pete Grogan.

The AL All-Stars open District 14 single-elimination play July 11, hosting the Tower Hill 'Stars at West Elementary school (5:45 p.m.). An Andover win would push the club into the second round on July 15 at Newburyport.

National Minors Results

The Cardinals came through the last week of the regular season with 3 big wins to take first place with a perfect 14-0 record. This earned them the right to face the American League Tigers for the Town Championship in a 3 game series which began last night, with the second game scheduled for noon at the Playstead on July 4. The rubber game, if necessary, will be 11 a.m. Saturday at South School.

In other action, the Pirates held on to second place despite two losses. The Redlegs beat the 1974 Town Champs by virtue of a last inning rally, which was the same script used by the Cardinals on Friday to maintain their perfect record. The show-down for third place was won by the hard-hitting Dodgers over the Astros who rounded out the first division.

Final Standings

	W-L-Pct.
Cardinals	14-0-1.000
Pirates	10-4-.714
Dodgers	8-4-.667
Astros	8-6-.572
Reds	7-6-.539
Giants	3-11-.214
Phillies	2-11-.156
Braves	1-13-.072

Open Gym

The Recreation / Community Schools Department will hold open gym at the West Junior High Monday - Thursday 6:30-9 p.m. The gym will be supervised and open to all residents wishing to play either basketball or volleyball.

The Recreation / Community Schools Department will also begin its basketball league on Tuesday and Thursday nights 6-9 p.m. at the Recreation Park courts. All residents 7th grade or older are welcome to participate free of charge. Starting date for the league is Thursday, July 3.

West Jr. High Pupils Get Awards

A host of pupils at West Junior High received year-end awards at the Final Assembly June 20. Their names, as announced by Principal William E. Hart follow by grade.

Grade 7

Foreign Language Awards: French - Bryan Liang, Bert Liang, Keith Worthley, John Collins, Michael MacDonald, David Hotham, Cheryl Taft, Brenda Marotto, Laura Need. Spanish - Nancy Balin, Benjamin Gram, Paula Caplan, Sandra Fitzpatrick, Richard Goldberg, Ronald Martin, Jeff Nicastro, Melissa Tynning.

Music Awards: David Hotham and Laurie Skinder.

Science Project Certificates: April Peatman, Steve Luby, Robin Pfister, Paul Syiek, Brad Smith, James Enos, Frank Vignola, Melissa Bachner, Nancy Shack, Jeanne Martin, Robin Weiner, Brenda Marotta, Jeff Nicastro, Glen Rousseau, Dan Sirois.

World of Work Awards: Greg Wright and John Kemp.

Leather and Textile Crafts: Sarah Myszewski and Melissa Tynning.

Math League Awards: Bert and Bryan Liang.

Media Awards: Pins - John Kemp, Reid Merrill, Jeff Nicastro. Certificates - Margaret Cargill, Judy Girard, Linda Griggs, Barry Labell, Ken Lansdowne.

Girls Intra-Mural Awards: Basketball - Linda Griggs, Jill Kennedy, Kathy Saba, Sandra

Fitzpatrick, Barbara Duncan, Christine Tobias. Softball - Val Lampros, Cathy DeQuattro, Paula Caplan, Liz Scheffey, Linda Griggs, Ramona Cantwell, Sue Messersmith, Karen Landy, Susan Goldberg, Sandy Fitzpatrick, Kathy Saba, Barbara Duncan, April Peatman, Jill Kennedy, Diana Retalis, Olympia Barbos.

West Side Story Certificates: Paula Whitley, Katherine Gannon, Laura Need.

Boys Sports: 1st Year Award - Michael Murray, John Cox, Kevin Daley, Michael Therrien, Dennis Sheehan.

Presidential Awards: Ramona Cantwell, Paula Caplan, Kimberly Cutler, Mary Kay Driscoll, Regina Fernandes, Judy Girard, Alison Labell, Brenda Mesler, Susan Messersmith, Lisa Peters, Valerie Lampros, Cathy DeQuattro, Bruce Belbin, Scott Nolin, Frank Marotta, Jeff Roy, Michael Ganem, James Burgess, Robert Wilkins, Charles Heseltine, James Stamas.

Merit Awards: Jamie Cover, Sandra Curtis, Barbara Duncan, Sandy Fitzpatrick, Linda Griggs, Elizabeth Hartman, Anne Healy, Julie Hesketh, Jody Hildebrandt, Deborah Hill, Helen Holt, Jill Kennedy, Kimberly Lilly, Karen Landy, Lisa Mifflin, Lisa Mitchell, April Peatman, Lynne Pellicione, Margot Rosenthal, Kathy Saba, Liz Scheffey, Nancy Shack, Jane Shattuck, Susan Tatem, Paula Whitley, Lisa Wilson, Susan Foley.

Also - Suzanne Lyons, Cathy DeQuattro, Barbara DeManche,

Sandy White, Karen Znamierowski, Julie Tisbert, Kim Marvin, Karen Orlando, Diane Retalis, Susan Tatem, Stephanie Sohigian, Glenn Charland, James LaCourse, Dennis Sheehan, John Cox, Peter Ianazzi, Stephen Doherty, Mike Starr, Glen Rousseau, David Roberts, Ira Gold, Jeff Nicastro, Bob Patterson.

"Cheaper By The Dozen" Award: Katherine Gannon.

High Honors: Benjamin Bram, Paula Caplan, Sandra Fitzpatrick, Joanne Hildebrandt, Deborah Hill, David Hotham, Patricia Kelly, Brenda Marotta, Jeanne Martin, Susan Messersmith, Michael Murray, Laura Need, Jeff Nicastro, Linda Sternlieb.

Bicentennial Writing Contest: Katherine Gannon, essay.

Perfect Attendance Awards: John Fox, Catherine DeQuattro, Judy Girard, Stephen Guterman, Helen Holt, David Jamison, Jeanne Martin, Faye Nabhan, Robert Wholley, Lisa Williams.

Blue Team Awards: Mary Henderson, Michael Curley, citizenship; Jeff Nicastro and Elisa LaFrenier, outstanding achievement in all subjects; Lynne Pellicione, Thomas Servidido, most conscientious; Elizabeth Scheffey and Daniel Sirois, most improved; Nancy Balin, Frank Branco, Brian Charewicz, Alison Jamkochian, Brian Hardy, Jill Kennedy, Alexander Lanio, Glen Rousseau, Susan Tatem, homeroom awards: Brenda Marotta and David Hotham, science; Martha

Calvert and Michael MacDonald, math; Sandra Fitzpatrick, Barbara Duncan and John Bernhard, social studies; Patricia Kelley and Richard Goldberg, English; Glenn Cairns, most dependable; Alison Labell, "Sunshine" award.

Red Team Awards: Donna Round, citizenship; John Lennon and Anne Nelligan, outstanding effort; Mary Kay Driscoll, Donna Round, Linda Thompson and Michael Murray, most conscientious; Gary Flieder, Faye Nabhan, Jackie Pelrine, most industrious; Jeanne Martin, science; Tom Glynn, social studies; Lisa Sternlieb, math; Jacqueline Zappala, English.

Gold Team Awards: Jeremiah Kearns, best attitude; Helen Holtz, most improved; Melvin Berger, spirit; Susan Messersmith, overall excellence; Laura Need, best overall student; Richard Dalton, Margaret Cargill, Susan Messersmith, Lisa Pizzano and Doreen Sloan, homeroom citizenship; Robin Pfister, Brenda Mesler, Karen Znamierowski, Paul Syiek, Deborah Hill, Laurie Fisk, Brad Smith, Doug Innes, April Peatman, Marguerite Hines, Mary Guiliani, Cathy McMurrough, outstanding effort; Jane Shattuck, science; April Peatman, social studies; Jody Hildebrandt, math and Jane Shattuck, English.

Grade 8

Perfect Attendance: Tad Anderson, Susan Audesse, Colin Callahan, Pamela Dauber, Linda Dole, Bruce Etter, Robert Hancock, Elizabeth Hetley, Duane Innes, Thomas Keefe, Patricia Keegan, Richard Maloof, Richard Marciano, Mary McEvoy, Carol Mirisola, Todd Orlando, Nicholas Rizzo, Michael Sideri, Nadine Wholley, David Wilkinson.

Leather and Textile Crafts: Michael DeSalvo, Todd Lustig, Cathy Campbell, Jeff Wolfe, Kathy Penkus.

Home Economics Award: Keith Clark, Mary Ann Cormier, Joanne Lengowicz.

Debating: Pin - Pamela Haymen, excellence; Certificates - Mark Bedell, best all-around member; Anne Boyce, Ann Driscoll, Linda Syiek, most promising.

Drama Award for "Cheaper By The Dozen": Keith Clark.

Media Awards: Pins - Brian Cail and Kirk Liponis. Certificates - Eugene Bernhard, Cornelius Cronin, Eileen Kelly, Mark Malone, Richard Marciano, Jeff Wolfe.

Music: Duane Innes and Martha Taft.

Science Project Certificates: Pamela Haymen, Neil Safran, Linda Syiek, Stacy Zeder, (Continued from Page 26)

RELOCATING?

LET THE HELMSLEY COMPANY be YOUR HOME CONSULTANT

Every year, increasingly more families move to a new location - often one unfamiliar to them. Among the questions frequently asked:

- Can I duplicate my current life style in the new area?
- Which communities offer the best resale potential?
- What is the local tax and mortgage situation?
- Is public transportation available and accessible?
- Which schools have competitive programs or offer special classes for Exceptional and/or Gifted Children?

Our specially trained Consultants answer these questions, and more, before you ever leave your present home.

WE WORK FOR YOU!

Our personal analysis of your housing and community needs, objective discussion and recommendation of areas, and in-depth research on your individual requirements result in effective use of your valuable house hunting time.

From the moment we receive your request for home-finding assistance, we and our research staff, and our broker representatives throughout the country direct their full efforts to assist you in making a good purchase and a successful and happy move.

To avail yourself of this service which is offered at no cost or obligation, just call —

In Public Service Program

Joseph R. Plati of 7 Lancaster Place, Andover, was the recipient of an award presented by Governor Michael S. Dukakis in recognition of his participation in the Governor's Public Service Fellowship Program.

The presentation was made at a special Governor's Fellowship luncheon at the Union Club, Boston. Also honoring Plati and the 5 other Fellows were Program Chairman Edward E. Phillips, President, New England Mutual Life Insurance Company; and William C. Mercer, President, New England Telephone Company, a member of the Advisory Board.

As a Fellow, sponsored by his company, New England Telephone, took a one year leave of absence and contributed his management skills in a specific state government project. This endeavor, in turn, was designed to provide an intensive educational program for the Fellow, which both focuses and expands his knowledge of state government.

Plati, Assistant Treasurer for New England Telephone, spent his year in the Office of State Planning and Management of the Executive Office of Administration and Finance. He was involved in a project to study and improve the State's handling of cash receipts and disbursements with a goal of increasing the funds available to the Treasurer for temporary investment.

A 1959 graduate of Boston College, Plati is presently enrolled at Northeastern University in the Graduate School of Business Administration.

Phillips, while explaining the purpose of the program, said, "The Fellowship Program encourages cooperation between the private and public sector and provides an opportunity for company representatives to broaden the base of his or her executive training. Mr. Plati and the other Governor's Fellows now return to their companies with a greater understanding of state government and the necessity of close cooperation between the public and private sectors, so important for the economic development of Massachusetts."

Joseph R. Plati of Andover (right) is presented with an award by Governor Michael S. Dukakis for his participation in the Governor's Public Service Fellowship Program.

Thoughts While Heading For A Long Weekend

A long, summer holiday weekend is upon us. The Fourth of July weekend signals the beginning of what seems the most rapid season of the year, surely confirmed by the rapidity with which one's vacation time vanishes in that period between now and Labor Day.

But, before pressing the total relaxation button for the weekend, some thoughts to ponder while enjoying that respite from the workaday world.

The Resignation: School Committeeman John F. Lyons became the only resignee of that board this week, despite the avowed intent of both he and George F. Olesen to leave as of June 30.

Lyons, who followed through, has been subjected to considerable harassment since becoming a member of the board and offering alternative views to the administration.

Basic reason for resignation on the part of both men, was due to the acceptance of counsel other than personal choice on the part of both Olesen and Lyons who stand threatened by a suit in the case of Edward P. Regan.

But, quite possibly the indignities suffered by Lyons and threats to his personal business were overriding factors in the decision to resign at this time.

As for Olesen, he feels he will retain personal counsel, despite what the town does in the Regan case.

He will continue to serve his term which extends to a year from next March.

Olesen will thus remain as the lone, vigorous alternative voice on the committee.

Such could almost be acceptable, if the voice was not so vindictive.

Educational Competition: Frankly we're a little tired of school comparisons, based on alleged quality.

In Andover it's the Shawsheen parents (some) claiming educational opportunities are better at another school.

In North Andover claim was made last week that youngsters at say, Franklin school, are better off than those at Thomson and Bradstreet school.

Isn't it about time that such competitiveness be reserved for athletic endeavors among the school children.

Similar opportunities are available at all schools in all communities.

With a little parental assistance and understanding, the youngster will be afforded the best learning opportunity no matter what school he might be assigned to.

Not all youngsters are cut out to be valedictorians, but if they do the best they can, we certainly should be grateful, rather than turning them into neurotics at an early age and blaming the problems on teachers or the buildings they happen to be attending.

Weekend Activity: Holiday weekends do not require the mass exodus from home that once was so prevalent.

Not since communities, such as Andover and North Andover undertook to provide some good, wholesome, family entertainment to keep the home folks happy on the holiday.

Both towns have excellent programs scheduled for the holiday weekend. They have been planned by your neighbors who have volunteered their efforts to insure success.

Best of all, the price is right. Old time prices will be featured at the booths, rides and other activities.

A safe Fourth can be insured by listing the home town celebration among your weekend activities.

Recycling: A new contractor and new plan is to be put into effect for the Andover Recycling program next week.

It has been given another chance and is aimed at improving the program.

Designed to encourage more participation by the residents of the town, the program could eventually represent a saving, if successful.

Not only could the material collected produce revenue for the town, but by removing the recyclables from the municipal refuse collection could represent a savings of thousands of dollars when the regional solid waste plant goes into operation.

By keeping the recyclable material from the regular trash pickup, the tonnage will be less going through the gate of the plant, hence, less cost to the town.

Participation now can be a good practice for the townspeople to become used to for future savings.

A Tribute Of Long Standing

Many newer residents of Andover and some not so new, often are puzzled by the American Flag on Andover's municipal buildings being at half staff many days.

It has been practice in this town to lower the flag in memory of a deceased veteran of service to the nation's armed forces.

Under the direction of the Veterans Affairs department, the flag is lowered upon notification of the death, and remains until after the funeral service.

Town records indicate that this practice was initiated after the Civil War in Andover and has been a part of the community's practice since that date.

It is, we think, a fitting tribute.

Thousands of Andover residents have answered the call to arms dating back to Revolutionary days. Many

have paid the supreme sacrifice, many have been inflicted with disabilities. All have sacrificed a portion of their lives to lend a hand to the defense of freedom and liberty we all so cherish.

We are not sure how the practice was started, rough guesses place it at the request of the Grand Army of the Republic. But, from the time of the Civil War, through international strife, to the Korean conflict, so-called, the 25 anniversary of which is observed this week, through to Vietnam Andover has answered the call.

The commentary is offered as an explanation of a practice the town of Andover can well be proud to maintain.

We think it particularly appropriate to mention at this time of the year.

WEEKLY SPECIAL

Presidents and Assassination Plots

by Jack Anderson
with Joe Spear

WASHINGTON -- Vice President Nelson Rockefeller recently suggested that the late President Kennedy was aware of at least one CIA assassination plot. This has touched off a big Washington controversy, involving Presidents Eisenhower and Johnson as well. Did they have advance knowledge of assassination attempts against foreign leaders?

Our sources say that none of the CIA investigations has uncovered direct evidence that past presidents were informed about the assassination plots. But the President always headed the chain of command and had the responsibility to approve or disapprove the plots.

As far back as January, 1971, we reported that the CIA had undertaken six assassination attempts against Cuban Premier Fidel Castro. At that time, we attempted to determine whether President John Kennedy had personally sanctioned the plot.

A close friend of the President, former Sen. George Smathers, told us he once had spoken to Kennedy about schemes to assassinate Castro. The late President, said Smathers, merely rolled back his eyes, indicating he was familiar with the idea but considered it too wild to discuss.

A blue-ribbon commission, of

which Vice President Rockefeller is a member, has submitted to President Ford a study of the CIA in which they recommend that future presidents be dissociated from covert activities. We obtained a draft copy of the report several weeks ago.

"We ... believe that the current requirement of law that the President personally certify to the Congress the necessity for all covert actions," states the report, "is harmful in associating the head of State so formally with such activities."

The panel proposed that the law be rewritten "to omit any requirement for the personal certification of the President as to their necessity."

The clear implication, therefore, is that the CIA did not operate on its own but sought approval for the assassination attempts. The secret communications channel led directly to the President's Oval Office.

It is highly unlikely, therefore, that Eisenhower, Kennedy or Johnson were kept in the dark about the assassination plots.

Use It Or Lose It: The federal government is on a buying spree that makes Jackie Onassis look like a tightwad.

The end of the government's budgeting year is approaching. And the bureaucratic rule is:

"Use it or lose it."

If an agency fails to spend all its allotted money, it is criticized for requesting too much and its budget for next year is reduced. So the bureaucrats are off taking trips and conducting hasty studies. They also are buying furniture, pocket calculators, paper clips -- anything to spend the taxpayers' green.

They have until June 30th to empty their coffers, or face the awful prospect of returning the money to the Treasury.

The annual spending spree, of course, leads to some ludicrous acquisitions. The General Services Administration once bought expensive oak doors for its executives, just to get rid of a budget surplus.

The annual buying binge has always been bad. But it seems worse this year, when the rest of the nation is suffering through a recession.

Supply Problems: Military strategists are worried about the tightening shortage of raw materials, which are essential to defense. Already, there is a shortage of asbestos, chromite and rayon fibers, which are used in military production.

The Pentagon strategists also are concerned about soaring prices. Cartels suddenly have been formed to control bauxite, chrome, copper, phosphate, tin and other essential raw materials. They are following the example, of course, of the oil cartel, which has successfully squeezed billions out of the oil-consuming nations.

For example, the price of aluminum, which is made from bauxite, has shot up 700 per cent during the past year. Chromium, copper and titanium prices also are soaring.

The Pentagon has established a watchdog unit to keep close

track of defense supplies. Meanwhile, the United States maintains a strategic stockpile of vital raw materials, and the Commerce Department also sets aside some materials for military use.

Inside Job: Vandalism is on the rise at the famous FBI academy in Quantico, Va. Bureau sources say that libraries have been torn apart, police car windows have been broken, and school property has been destroyed. The crimes remain unsolved, but insiders suspect civilian employees and local police trainees are responsible.

Fear Of Spending: Rep. Robert Bauman, the conservative Maryland Republican, is trying to replace Iowa's retired H.R. Gross as the House's chief penny pincher. He already has pushed through legislation which provides for congressional review of National Science Foundation grants. He also raised a howl recently when he learned that the National Arts Endowment had awarded feminist author Erica Jong \$5,000 to work on her best-selling novel, "Fear of Flying."

Filthy Food: A House Appropriations Committee probe of the food warehousing industry has revealed that Americans may be eating food that's contaminated with insects, rodent hair and general filth.

The investigators also found that food import controls were sorely lacking. In other words, bad food can make its way to American tables from foreign countries.

Yet the profits for selling imported food are often higher than the fines imposed when a dealer is caught selling bad merchandise.

(Continued from Page One)

columns in January of 1971, he gave names, dates and details of six assassination attempts against Cuba's Fidel Castro. He reported that the CIA had recruited two Mafia men, Sam Giancana and John Rosetti, to direct the assassination plot.

Jack Anderson was also the first to report in February, 1975, that the U. S. was contemplating military intervention in the Middle East, a story Secretary of State Kissinger confirmed several months later.

During the Watergate era, Jack Anderson broke many of the major stories. He was first to implicate John Mitchell and H. R. Haldeman in the scandal.

He was also first to report that hush money had been offered to the Watergate defendants.

Anderson was called on to testify himself after the Watergate investigators learned that he had been present in an adjoining room during the discussions over hush money and that a participant had left the meeting to give him progress reports.

The famed columnist created a sensation by publishing grand jury

What Our Readers Say

Open Letter To George Olesen And John Lyons

On behalf of many Andover parents and other citizens, I wish to express to John Lyons and George Olesen our deep appreciation for the many months of steadfast, dedicated service in the cause of educational improvement for our community.

Although we deeply regret that you gentlemen will no longer be serving on our school committee, we are fully cognizant of the fact that during the time you have served, you have given more than full measure of your time and effort.

We realize how frustrating it is to have run a mile and find you have advanced only a few hundred yards with your goal still far ahead. Those of us in the community who have followed your dedicated efforts toward educational improvements and have witnessed the opposition mounted against your programs cannot help but be disheartened at the thought of the loss of such capable representation.

Although you may feel that much more should have been accomplished, considering the extraordinary amount of time and effort expended on your part, our community will be extremely grateful for what educational gains you have brought about.

There are a number of positive accomplishments on your part and other conservative members of the committee that will have far-reaching benefits for years to come. To list but a few:

1. The establishment of a testing policy. We must realize that only 20 months ago it was virtually impossible to obtain town wide testing information from our school administration authorities. Now, such data is commonly expected by the community each year. Parents now appreciate its value as an evaluation tool for their school system and are aware that such data exists and is available.

2. The establishment of a homework policy. Although some teachers consider it presumptuous, and it is not uniformly implemented, the policy is there and we are secure in the knowledge that responsible teachers who do seek guidance, will be able to refer to the policy and it will benefit them and their students immeasurably.

3. The compilation of a policy book has achieved the goal of documenting policies on all important school matters which will be available to teachers, administrators, and the public at large. This was a mammoth undertaking by the present committee and provides the kind of professional information this community has always expected.

4. A start toward return of discipline to the schools in an era of laissez-faire education and deportment.

5. Beginning of zero based budgeting and tighter control over school expenditures. The past three years of conservative influence on our school committee has seen a halt to the mammoth school spending program that was projected during the early 70's and has seen a return to fiscal responsibility on our school committee.

6. There has been renewed emphasis on basic education. And of course we must applaud your most recent effort to return to the citizens of Andover, their right of freedom of choice in the education of their children -- the right to choose between progressive education and traditional education.

This is only a partial list of accomplishments by the conservative members of the committee. We recognize that your work had only begun and many attempts were made to thwart

nearly every effort.

We regret that many of your objectives are still unmet, most importantly the development of meaningful evaluation and accountability procedures for teachers and administrators, which would provide the community with realistic, objective evaluation methods tied to actual results in the classroom.

All decent citizens deplore the personal indignities and property destruction that you and your families have suffered at the hands of people who disagree with you, those who are too shallow to act openly and forthrightly, and instead choose to undermine our most precious and basic right -- that of representative government, through unthinking acts of violence and destruction.

We further deplore the fact that your legal needs as elected representatives are being denied by fellow committeemen who do not have the desire to establish the protective conditions required if you are to continue to serve unimpaired as elected representatives of the people.

We support your position that neither elected town officials or appointed town officials, or even newspaper editors, have the right to say what lawyer will, or what lawyer will not represent you in any legal suits that may arise in pursuit of your official duties.

It is a sad fact that even the most frivolous and maliciously brought legal suits can be won if competent legal advice is not at hand to protect the innocent. With your valuable time, your reputation, the peace of mind of your families, and your financial solvency in the balance, community service must, of necessity, stand aside to the personal needs of you and your family.

We hope that you will take some comfort in knowing that you will have our continued support and that we will continue to support the gains you have made while on the committee.

Our community can never repay you for what you have given except by dedicating ourselves to continuing the pursuit of the high standards of education for which you stand and for which our children will be forever grateful.

We are deeply indebted to you and to your understanding and generously tolerant families.

We realize that the community is richer for having benefited from your representation. This knowledge provides us with the stimulus to pursue your goals. Thank you both very much.

Concerned Andover Parents
Nancy Griffin
268 River Road
Andover

To the Editor of the
TOWNSMAN:

I would like to take this opportunity to commend some individuals for whom I feel a statement of appreciation is long overdue. I believe that we in Andover are very free with criticism and suggestions for improvement for our public servants, and we are very hesitant to thank them for their many positive contributions that have enriched our lives and made Andover such a rewarding community in which to live.

For this reason, I would like to offer my sincere thanks at this time to Dr. Kenneth Seifert and the administrative and teaching staffs of the Andover public school system for their efforts over the past several years which, I feel, have helped to make Andover a town in which people can be assured that the lives of their children will be treated as a precious resource -- in which children will be skillfully helped to grow to their full potential and in which the participation of parents is treated with respect.

I believe that we would do well to consider the benefits we have received through the Andover school system: a high calibre of education for our children as judged by both local and national standards, teachers of high professional ability and integrity, exceptionally efficient administration and economy of operation, as well as the knowledge that, when we as parents approach the school system with educational problems and concerns, we can be confident of being met with respect and thoughtful attention to our needs. Our school system

Obituaries...

JAMES A. PORTER

James A. Porter, 61, 7 Ayer St., Andover, died early Wednesday at Lawrence General Hospital, following a short illness.

An agent for the Prudential Insurance Co., he served the Andover area for over 25 years. He was a veteran of World War II, serving in the U.S. Army in the Pacific Theater. He was a member of Andover Post 18, Disabled American Veterans and a charter member of Andover Lodge, 2198, B.P.O.E.

He is survived by his wife, Edna (Strauten) Porter, a son, Robert S. Porter of Andover; a daughter, Nancy G. Porter of Phoenix, Ariz.; a sister, Ruth, wife of Vincent Hempstead of Selkirk, N.Y. and a brother, Daniel Porter of Methuen.

Funeral services will be held Saturday at 11 a.m. at the Lundgren Funeral Home, 18 Elm St., Andover. Burial will be in Elmwood Cemetery, Methuen.

Friends may call at the funeral home Thursday from 7 to 9 p.m. and Friday from 2 to 4 and 7 to 9 p.m.

GILBERT F. TALMADGE

Gilbert F. Talmadge, 69, 19 Johnson Road, Andover, a retired systems coordinator at Western Electric Company in North Andover, died June 25.

Mr. Talmadge was born in Methuen Feb. 6, 1906, and lived there until moving to Andover 20 years ago. He was a member of Phoenician Lodge A.F.&A.M. in Lawrence.

Survivors include his wife, the former Elizabeth Watt; a son, Gilbert, Jr. of Port Charlotte, Fla.; two brothers, Raymond of

Bradenton, Fla. and Frank of Salem, N.H., and three grandchildren.

Funeral services were Saturday at 2 p.m. at the Frederick E. Allen and Son Funeral Home, 68 Park St. Burial was in West Parish Cemetery.

HARRIET C. LEE

Mrs. Harriet C. (Brown) Lee, 152 Haggetts Pond Road, a longtime resident of Andover, died June 25 at Lawrence General Hospital after a short illness. She was 96.

Born in Hants County, Nova Scotia, Sept. 18, 1878, Mrs. Lee attended West Parish Church, and was a member of the Women's Union of that church.

The widow of Harry Lee, she is survived by a daughter, Mildred, wife of Howard A. West, with whom she made her home; two sons, Fulton H. of Tewksbury and Robert E. of Kingston, N.H.; a sister, Mrs. Mabel Hunter of Seattle, Wash., seven grandchildren and 12 great grandchildren.

Funeral services were Friday at 3:30 p.m. in the Lundgren Funeral Home, 18 Elm St. Cremation was at Harmony Grove Cemetery, Salem.

HOW CAN YOU HELP YOUR CHILD IN SCHOOL?

School can be a demanding place. But in a Christian Science Sunday School, children learn that God is the source of intelligence, talent, confidence.

From Bible lessons and discussions with their teachers and other pupils, young people learn how to express more of these qualities every day.

There's a warm welcome awaiting your child this week at the

Summer Hours

From June 28 through the middle of September, the library will be open Monday through Friday, 9 a.m. to 9 p.m. and will be closed Saturday and Sunday. The Children's Room is open 9 a.m. to 9 p.m. Monday through Thursday, and 9 a.m. to 5:30 p.m. on Friday.

Remember, the library will be closed tomorrow, Friday July 4 for Independence Day.

Planning A Vacation?

If you're looking for a place to stay during your vacation, the

library has some books that might help you. The **Official Hotel and Resort Guide** is a 3 volume set which provides general information on hotels around the world. It includes address and telephone number for each hotel, number of rooms, a brief description of facilities and both off season and high season rates. To ensure that the information is accurate and current, the OHRG is updated regularly.

Children's Room News

By Jan Johnson
Beginning July 7, our summer

plans really get into full swing. On Monday, July 7, at 7, anyone in grade 3 up who has become fond of Laura Ingalls Wilder by reading her books or through watching Little House on the Prairie is invited to join the Laura Ingalls Wilder Club. It will meet for at least 4 Monday evenings in July, for approximately 1½ hours each time.

Pre-school children from age 3½ to first grade (born in or before 1971) are invited to join us on Tuesday mornings at 10 beginning July 8 for the Yellow Ballon, 45 minutes of stories, songs and games. There is no need to register for this drop-in story hour but parents are asked to bring their library cards with them so the children can take home books, records or puzzles between meetings.

Of course the Reading Clubs meet again this week. Grades 1 - 3 meet on Tuesday, July 8 at 2:30 and grades 4 - 6 meet on Thurs-

day, July 10 at 2:30. Be prepared to discuss your contract with the librarian. How many books do you want to read this summer?

Join us on Wednesday July 9 for two programs. At 10:30 children in grades 2 - 6 are invited to come and make a scrapbook. It would help if each child brought an old magazine - one that can be cut up, but you don't need a magazine to be able to come.

Later that day - at 3, our second full-length Feature Film will be shown. This week it is **A Challenge For Robin Hood** (and it will last until 4:40). Admission is free to anyone who has a library card. Parents should plan to stay with children younger than 6 years. Please wear shoes of some kind and bring a friend but not food or drinks.

McQuade - Carbonneau

Mrs. Thomas D. McQuade, Jr.

Honeymooning on Nantucket, are Mr. and Mrs. Thomas David McQuade, Jr., who were married Saturday at St. Mary's Church, Longmeadow, Mass.

The bride is the former Andrea Jean Carbonneau, daughter of Mr. and Mrs. Leo W. Carbonneau of Longmeadow. The groom is the son of Mr. and Mrs. Thomas D. McQuade, Sr., of Andover.

The Rev. Richard Meehan officiated at the 5:30 p.m. ceremony, and a reception followed at Twin Hills Country Club, Longmeadow.

Given in marriage by her father, the bride wore a white, silk organza gown designed by Christos of Gelinas. It featured short sleeves, with applique on the bodice, around the floor-length hem, and down the back.

Her full-length veil with applique head piece was designed to match the gown, and she carried a bouquet of phalaenopsis orchids with stephanotis and lemon leaves.

Mary Farricker served as maid of honor, wearing a halter-style dress in pale green dotted Swiss, with short jacket. The bridesmaids, wearing matching dresses in pale yellow, included Mrs. John D'Avella, Mary Alice McQuade, sister of the groom, and Catherine and Denise Bourie.

They carried cascade bouquets of sweetheart roses, miniature carnations and lemon leaves.

Timothy McQuade served as his brother's best man, and ushers included his brothers John and Christopher, and Dr. John D'Avella.

The new Mrs. McQuade received her bachelor's degree cum

Tsongas Guest At Reception

A garden reception will be held Friday, July 11, from 3:30 to 6 p.m. at the home of Gwen and Ashton Smith, 158 Dale Street, North Andover, for the benefit of the Volunteer Inservice Program of Greater Lawrence (VIP).

This agency acts as a clearing house of information and volunteer opportunities and provides a referral service among agencies in the Greater Lawrence area with specific needs.

Congressman and Mrs. Paul Tsongas are special guests for the event.

Tickets may be obtained at the Volunteer Inservice Program Office, 38 Lawrence Street, Lawrence.

Refreshments and an eight-piece jazz band will be part of the

laude from Trinity College, Washington, D.C. and her master's degree in education from the University of Washington in Seattle. She will be a learning disabilities specialist in the Hanover, N.H., school system, beginning in September.

Her husband, who received his bachelor's degree from St. Anselm's College in Manchester, N.H., is manager of the Lake Sunapee Country Club in New London, N.H.

They will be making their home in Elkins, N.H.

afternoon's activities, as well as the introduction of David Breen, the new VIP office coordinator.

On Dean's List At Newbury

Sherril Lynn Van Vleet, daughter of Mr. and Mrs. Frank Van Vleet of 112 Dascomb Road, has been named to the dean's list at Newbury Junior College in Boston for the spring semester, 1975.

Located in the Back Bay area, Newbury is a cooperative educational junior college of over 6000 full and part-time students specializing in business.

Sherril, who was a freshman in the medical secretarial program, is a 1974 Andover High School graduate.

Garretson - Schofield

Mr. and Mrs. James S. Garretson

At home in Worcester, are Mr. and Mrs. James Squires Garretson, who were married June 7 in West Parish Church, Andover.

The bride is the former Diane Louise Schofield, daughter of Mr. and Mrs. Donald S. Schofield, 138 Lowell Street, Andover. The groom is the son of Mr. and Mrs. James G. Garretson of Toledo, Ohio.

The Rev. Thomas Call performed the 2 o'clock wedding before an altar decorated with vases of daisies, white snapdragons and white carnations. Wedding music included the

traditional "Bridal March" processional, and "Wedding March" for the recessional.

The bride wore an A-line gown of white satin, with lace-covered bodice, short sleeves and stand-up collar, and an elbow-length veil. She carried a bouquet of pale pink roses, pale blue stephanotis and white daisies.

Susan Jacobsen of Nahant was maid of honor, wearing a gown similar to the bride's in pale blue, and carrying a bouquet of pink roses, white daisies, and pale blue delphinium.

Wearing matching gowns in light pink were the bridesmaids, Maureen Kelley of Stamford, Conn., and Paula Lucafo, of Farmington, Conn.

Mrs. Schofield chose a floor-length gown in peach and rose with a high waist, and a corsage of pink roses, blue stephanotis and white baby's breath, for her daughter's wedding.

The groom's mother wore a blue floor-length gown, and a corsage of the same flowers.

Stephen Schreurs of Wakefield served as best man, and ushers were William James of White Plains, N.Y., and Walter Stahler of Bristol, R.I.

A reception followed the service in the West Parish Church Hall, and the couple took a wedding trip to Bermuda.

The new Mrs. Garretson graduated from Andover High School and Smith College, while her husband attended DeVilbiss High School and Worcester Polytechnic Institute. He also served four years in the U.S. Coast Guard.

September Wedding Planned

Mrs. Irving H. Beckwith of Boston, announces the engagement of her daughter, Sarah Burns, to Dr. Frederick Charles Blades of Alexandria, Va., son of Mr. and Mrs. Harold B. Blades of Avon, N.J.

Miss Bowen, also the daughter of the late John Florence Bowen, graduated from Abbot Academy and the American University, Washington, D.C. She is attending George Washington University Business School, Washington, D.C.

Her fiancé, who was Phi Beta Kappa from University of Maine, received his doctor's degree from George Washington University Medical School, served his internship at Portsmouth, Va. Naval Hospital, was naval flight surgeon at Andrews Air Force Base, Washington, D.C., and is serving his residency in ophthalmology at George Washington University Hospital.

The wedding is planned for Sept. 20.

Attends NeedleArt School

Jean Bottomley of 19 Argilla Road, Andover, recently attended the Elsa Williams School of NeedleArt in West Townsend.

This school is the only resident school of Needle Art in the United States. It provides an opportunity for professionals, teachers and advanced students as well as the novice, to study needlework with particular emphasis on learning correct and new methods, under the supervision of America's foremost instructors and personalities.

Elso Williams, the founder of the school, is known internationally as a leading authority in the field of NeedleArt. Her methods and standards of excellence provide the students with knowledge and skill in embroidery, canvas work and other, related needle arts.

Jean was awarded a certificate of merit at the school and now has the distinction of wearing the treasured Silver Thimble of the Elsa Williams School of NeedleArt.

Camp Merrymeeting Begins Season At Pumps Pond

23

The Merrimack River Girl Scout Council's four day camps will open for a six-week season on June 30.

The four camps serve girls in 28 towns in the Merrimack and Nashoba River Valleys. Campers range in age from 6-17, from Brownie-age through the Cadette Scout level. Older girls may come to camp as Senior Service Aides, offering help with skills in program, campcraft, public relations, office work, and swimming. These girls are high school-aged, from 15-17.

Each camp offers swimming, arts and crafts, nature study, campcraft skills, outdoor cooking, and overnight camping opportunities. In addition, each

camp has written in its program unique offerings, such as Bicentennial crafts and heritage field trips or a bike unit. The program allows for a generous amount of girl-planning and input, so that if a unit decides it would rather learn to make rope than make soap, it will be able to schedule that.

Opening day at Camp Merrymeeting on Pumps Pond in Andover was June 30. The 53 acre spread will be "home" to 125 girls this first 2-week session. Greater Lawrence, Billerica, Tewksbury and Wilmington are served by Camp Merrymeeting.

Under the direction of Veronica Sherman of Billerica, who was Merrymeeting's

Program Director last year, the camp will operate five days a week, offering a general program of swimming, boating, nature study, archery, and arts and crafts.

This year, according to Ms. Sherman, girls will be able to plan their own schedules to meet their interests and wishes. Activities they may choose over the general ones might be Bicentennial crafts, heritage field trips, overnights, cookouts, or hikes "and that is by no means the entire selection," she pointed out.

The staff, many scout leaders and program consultants, have been trained by the Merrimack River Girl Scout Council and the camp's administrative staff. Also available to help in teaching skills are Senior Service Aides.

These are high school girls who have been Girl Scouts, many since Brownies, and are skilled in teaching campcraft skills, for example. These girls attended a weekend training session to prepare them to teach their skills to younger girls. Other Service Aides may help the camp nurse, work in the business office, or help with public relations, Ms. Serman explained.

Camp Merrymeeting will be operating now through Aug. 8. There are openings for sessions 2 and 3. Scouts and non-Scouts are welcome to call the Girl Scout office in Andover, 475-4511 for further information.

Expert Installation or Do-it-yourself instruction. (15-19)

SAVE TWICE. SAVE ON A CAR LOAN. AND SAVE WHAT YOU SAVE WITH US.

Buy a new car now and you'll get a bargain. A bargain on the new car from the dealer. And a deal on a new car loan from us.

Right now, we'll give you a 1% rebate on the principal of the loan and put it in a Regular Essex Broadway Savings Account for you (our savings account that pays 5 1/4% for an annual effective rate of 5.47%). So you're saving on the loan and saving what you saved with us. And we've got some other ways to save.

Get a mechanic you know to test drive the car before you buy.

If you've always bought an automatic shift try a manual, you'll save on gas and repair bills.

If you're trading in, the best time to do it is when your car is three years old or showing 45,000 miles.

If you can afford extras buy a car with the extras that are going to make it worth more when you trade it in.

Extras like power steering, power brakes, air conditioning, AM radio, fancy upholstery, etc.

The extras that don't add extra value are vinyl roofs, white walls, tilting steering

wheels, power seats, power windows, FM radios, etc.

And when you get the car really read the owner's manual, the more you know about your car the less it's going to cost you in the long run.

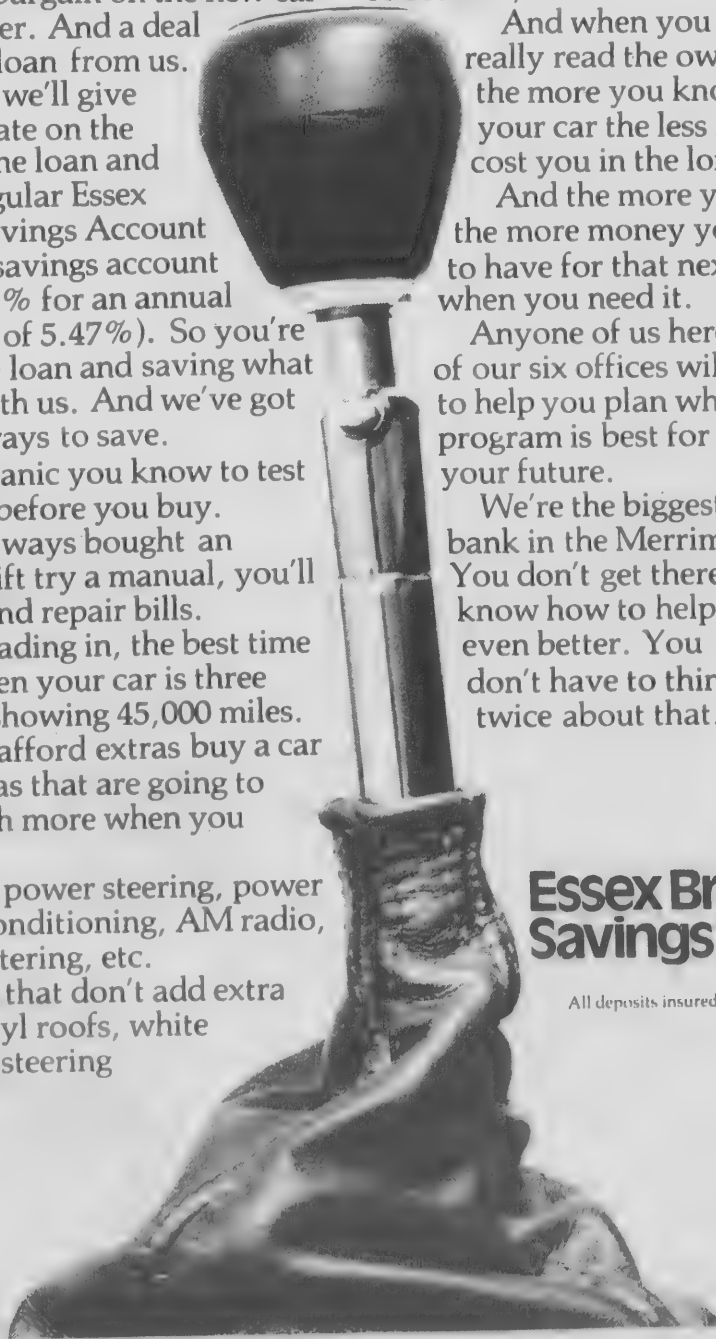

And the more you save now the more money you're going to have for that next new car when you need it.

Anyone of us here at any one of our six offices will be happy to help you plan which savings program is best for you and your future.

We're the biggest savings bank in the Merrimack Valley. You don't get there unless you know how to help people save even better. You don't have to think twice about that.

**Essex Broadway
Savings Bank**

All deposits insured in full. 685-1333

Observe Golden Anniversary

Mr. and Mrs. Theodore LaFrance

The United Church of Ballardvale was the setting for a dinner and reception honoring Mr. and Mrs. Theodore LaFrance of North Andover on the occasion of their golden wedding anniversary. The reception was hosted by Thomas Webster, nephew of Mrs. LaFrance.

Both Mr. and Mrs. LaFrance were born and raised in this area, and now reside at 4 Allen Street, North Andover. Over 120 guests assembled to honor the happy couple, some coming from as far away as California.

It was an impressive moment when an Official Citation from the House of Representatives of the Commonwealth of Massachusetts was read, congratulating Mr. and Mrs. LaFrance in recognition of their Fiftieth Anniversary.

Observe Golden Jubilee

Mr. and Mrs. Chester A. Hervey of Andover celebrated their 50th wedding anniversary recently at a dinner party at the home of their daughter and son-in-law, Mr. and Mrs. Irving E. Rogers, Jr., also of Andover.

Among participants were the couple's four grandchildren.

Mr. and Mrs. Hervey were married in New York City on June 13, 1925.

Bridge Club Activities

Greenleaf

The winning team this week was comprised of four players who had never played together before. They came alone but they came to win and they played that way, too, being the only undefeated team.

1. Ann Sidney, Elaine Katzman; Jackie Kovacs, Ann Reynolds

2. Ann Nevins, Ethel Nicholson; Chris Blotner, Madelyn Froman

3. Clint Walker, Harry Palmer; Alice O'Brien, Jan Gottesfeld

4. Rita Fionte, Dot Geller; Barbara Buckley, Fran Mulderig
Regular duplicates are held every Thursday at 10 a.m. at South Church in Andover. Partners are always available.

Elizabeth A. Schussel

Graduated At Chanute

Airman Elizabeth A. Schussel, daughter of Mr. and Mrs. Edward W. Nielsen of 196 Shawshen Road, Andover, has graduated at Chanute AFB, ILL., from the U.S. Air Force jet engine mechanic course con-

ducted by the Air Training Command.

The airman, now trained to inspect and repair turbojet and gas turbine engines, is being assigned to Lakenheath RAF Station, England, for duty with a unit of the U.S. Air Forces in Europe.

Airman Schussel is a 1971 graduate of Andover High School.

Hobby Show

The First Annual New England Hobby Show will be held at Commonwealth Pier Exhibition Hall on Oct. 22 through 26, 1975.

Featuring diversified activities from wine-making to building your own sports car, the Hobby Show will present a broad and vertical representation of the most commonly accepted do-it-yourself activities.

Show will highlight about thirty general categories with subactivities consisting of approximately 200 particular hobbies. Also included in the five-day show will be foundations, museums, vocational and aptitude organizations, as well as the entertaining features of magic, sleight of hand, kites and educational demonstrations.

Janet Richmond

Attends AAUW Convention

Mrs. Janet Richmond of Andover was among 2000 delegates from across the nation who attended the 1975 biennial convention of the American Association of University Women in Seattle, Washington, June 15 to 19. Mrs. Richmond is the newly elected State First Vice-President in charge of Program. The four topics to be dealt with in the next two years are - World Pluralism: the human encounter. The 21st Century: deciding now. The Economic Facts of Life: liv-

ing with less. Society and the Individual: conformity vs. creativity.

A graduate of Mary Hardin College of Baylor University, Belton, Texas, Mrs. Richmond lives with her husband, Randy, on Gleason St. in Andover.

Andover's first school driver was Mrs. Brownell of Holt Road. She used a horse-drawn beach wagon barge, with adjustable curtain sides. In snow season, cloth-wrapped hot stones kept feet and hands warm.

Chapter Officers Elected

The Merrimack Valley Chapter-National Foundation-March of Dimes elected the Chapter Executive Committee Officers for 1976 Thursday, June 19 at the Speare House in Lowell. Donald R. Berman, M. D. of Chelmsford was elected Chapter Chairman; Sally Dineen of North Andover, First Vice Chairman; James Wilson, Andover, Second Vice Chairman; David Smith, Andover, Treasurer; and Marie Walsh of Shirley, Secretary. Gregg Sheppard, 1976 Chapter Campaign Director gave greetings to the volunteer force in attendance.

Gross receipts for the 1975 Merrimack Valley Chapter campaign totalled \$230,258.67. In 1975, the Chapter held eight Walkathons with a total receipt of \$99,499.41. Other income was derived from mailings, the an-

nual Mother's March and special events.

During the year, the March of Dimes was very involved with health fairs in Danvas, Lowell, Bedford. The Chapter again showed those concerned for the Spanish speaking members of Lawrence by taking part in a health fair sponsored by Hispanos Unidos.

It is with a tremendous sense of pride and accomplishment that the Genetic Counseling Satellite Clinic at St. John's Hospital in Lowell was established. This clinic is completely funded by a Chapter March of Dimes grant.

A second grant was made to St. Joseph's Hospital. This is an

educational grant for up-grade in continuing education of two nurses from the Newborn Unit of the hospital.

During the past year's campaign, the Merrimack Valley Chapter offered educational programs to junior and senior high school students.

Also, as in the past, the research support, partial funding of the March of Dimes Birth Defect Evaluation and Genetic Counseling Center at Boston Floating Hospital, and individual patient assistance was continued.

Research is, as we are all well aware, the real key to more complete prevention, but it brings a special pride to see the increase of local programming along with the continued research.

Museum Passes

Free passes are available at the Stevens Memorial Library to three Boston Museums: The Museum of Fine Arts, The Museum of Science, and the Boston Zoological Society. These membership passes allow two people free admission to the Museum of Fine Arts and we have two passes for this museum. The Museum of Science pass allows the cardholder, plus three guests, free admission. At the Museum of Science, reduced parking rates at the museum's garage are available with this card. The admission pass to the Boston Zoological Society includes free admittance to the zoo at Franklin Park. Passes must be picked up and returned the day of use, at the Stevens Library circulation desk. Library summer

hours are 9 - 9, Monday through Friday. To be used on a weekend, passes should be picked up Friday and returned the following Monday.

Natural Foods & Vitamins - Nearby On Route 114 At 495

If you've been looking for a natural foods store in this area, here's the answer! Natural Foods & Vitamins, located on Route 114 at 495 (near Den Rock Park) can show you the way to good, natural nutrition, for your health's sake.

This complete health food and vitamin store is conveniently located for Andover and North Andover residents and is stocked with everything you need for good nutrition. Your health is your most prized possession, so eat well to keep well.

All foods at Natural Foods & Vitamins are grown in soil

without fertilizers, and without pesticides. Grains are stone ground slowly and cooled to preserve vitamins and minerals which are easily destroyed by too much heat. Oils are cold processed and not cooked. Honey is uncooked and unfiltered to include the wild pollen which gives immunity to allergies and sinus trouble.

Natural Foods & Vitamins carries a complete line of natural vitamins, minerals and proteins. Sprouts the new "staff of life" are available in sprouted wheat bread (including the new 7 grain). Vegetarians can find meat substitutes made from soy

beans, plus dried fruits and nuts. Also fertile eggs (chickens not injected) which are low in cholesterol; lecithin; unprocessed bran; sea salt; and the amazing cider vinegar-lecithin; kelp-B-6 diet capsule.

Remember, you can't beat nature. Your body will utilize these natural products - there are no chemicals, preservatives artificial coloring or flavorings that can be rejected by your body, and cause side effects.

Visit Natural Foods & Vitamins Mon., Wed., Fri. from 10 - 5; or Tues. and Thurs. 10 - 8. Closed Sat. Tel. 683-7140.

Down the Years with The Townsman

75 Years Ago - July, 1900

John W. Bell has in his possession a fine, well preserved Indian hatchet which was dug up in the yard of the Smith and Dove Manufacturing Co. when work was going on there some time ago.

The heavy thunderstorm on Monday disabled one of the street railway cars. One motor was burned out near the Tyer Rubber factory and the other burned out near the ink factory turnaround.

Sunday, July 1 was the anniversary of the introduction of a vested choir at Christ church and the occasion was observed with appropriate music.

The Andover Golf Club was beaten by the Lawrence Country Club on the links quite badly last Saturday afternoon. The match was played at the Lawrence course.

North Main street near Stimpson's Bridge is being macadamized under the direction of Supt. Lovejoy.

50 Years Ago - July, 1925

Several improvements noted as Pumps Pond opens for the season. Town water has been extended to the bath house and the lifeguards are now on duty 12 hours per day.

A triple celebration of the Fourth is planned for Greater Andover on the holiday. Two bonfires, three parades, three band concerts, fireworks and other activities are scheduled for the central portion of town, Ballardvale and Shawsheen.

Camp Andover opened for the season this week with 50 boys from the Greater Boston area leaving the train at Ballardvale and hiking to the camp site.

The fireworks store on Essex street, originally closed is expected to be opened at noon today as soon as the owner obtains the proper licenses.

Mrs. Edith Nourse Rogers is elected to congress to succeed her late husband in a special election. In Andover, Mrs.

Rogers received 822 votes to 87 for former Democrat Governor Eugene Nobel Foss.

25 Years Ago - July, 1950

Mrs. Dean K. Webster, Jr., is head of a new organization designed to aid Lawrence General Hospital. The Hospital Aid Association, will assist in volunteer work and other functions at the hospital.

Members of the Andover Sportsmen's Club dig in to prepare for foundation for their new clubhouse in the Harold Parker State Forest.

Very Rev. Patrick J. Campbell, O.S.A., has been appointed pastor of St. Augustine's parish, succeeding Very Rev. Thomas B. Fogarty, O.S.A.

Visiting Nurse Association, which made 1687 visits expenses of the service, formerly financed by the Andover Chapter, American Red Cross.

Joseph Staples of the Phillips Academy faculty has been appointed to an administrative post at Wilson College, Chambersburg, Pa.

10 Years Ago - July, 1965

Charles Harris, executive director of the Massachusetts Council for Public Schools is invited by the Andover Education Council to address a public forum on, "The Laymen's Role in Education."

Arthur Newmark has been named the Andover Planning Board representative on the Merrimack Valley Planning Commission succeeding John Cole.

One bid was received for the renewal of the town garbage collection contract. Stanley Nabydoski proposed to continue the service for \$90,000 over a three year period.

Miss Laura N. Marland of Andover, a teacher in Wilmington for 46 years, is honored on her retirement.

Building permits for the first 15 days of June indicated \$235,000 in new construction.

C. Baker Clotworthy, Jr.

Retires After
40 Years
At Western

C. Baker Clotworthy, Jr., 159 Holt Road, Andover, Director of Engineering at Western Electric's Merrimack Valley Works, retired on June 30 after 40 years of service.

He began his Western Electric career in 1930 as an inspector at the company's Baltimore Works, advancing to Assistant Engineer nine months later. In 1931, he left the company to enroll in John Hopkins University. Following his graduation in 1935 with a Bachelor of Science degree in Electrical Engineering with honors, he was employed by Bethlehem Steel.

He returned to Western Electric in 1937 as an engineer at the Baltimore Works. From 1942 to 1946 he served in the U.S. Army Signal Corps, reaching the rank of major. Resuming his Western Electric career in 1946, he was promoted to Department Chief of Development Engineering in September of that year, and was transferred to the Allentown, Pennsylvania Works as Assistant Manager of Operating in 1951.

In 1953, he was selected to participate in the company's management training program in New York City. At the completion of the course in 1954, he returned to Allentown as Assistant Manager of Varistor Engineering. In 1956, he was promoted and transferred to the Merrimack Valley Works as Manager of Manufacturing Engineering, becoming Works Director of Engineering in 1959. In this capacity, he heads all engineering at the Works.

He played a major role in the introduction of a number of major new product lines. Under his direction, a large part of the North Andover facility has been converted in recent years to integrated circuit technology, and during his tenure several significant plant expansions have been engineered, including the larger office building, the quartz crystal growing building, the water pollution abatement facility, and the new merchandise warehouse addition.

He has been largely responsible, through his inspiration and guidance, for the implementation of an engineering cost reduction program at the Merrimack Valley Works which in recent years has reached record levels of savings. During 1974, Merrimack Valley led all company locations with savings totalling nearly \$18 million.

He is a member of the Executive Committee of the Board of Trustees of Lawrence General Hospital, and serves as Chairman of the Hospital's building committee. He is also a incorporator of the Andover Savings Bank, and is a member of the Telephone Pioneers of America.

He is married to the former Frances Slingsluff of Baltimore, Maryland. They have two married daughters, Eleanor and Georgette.

What Our Readers Say

(Continued from Page 20)

offers the basic education required to assure that our children will be able to cope successfully with the day-to-day demands of society, and it also offers the education for personal development so necessary to a sense of satisfaction in living a meaningful life.

As in any school system, there have been ups and downs, and there has been sometimes severe controversy over methods of achieving our goals, but I feel that the Andover school system has been successful in maintaining a direction of constant improvement in providing an effective education for all of Andover's young people, whatever their heritage of personal characteristics and ability.

I believe, through my observation of School Committee meetings, community relationships and the public media, that Dr. Seifert and his administrative and teaching staffs have been doing their utmost to translate the policies of the Andover School Committee into effective reality within their interpretation of their professional roles, and I believe that the majority of this group should be commended very highly for their goodwill, adaptability and personal integrity.

I feel that it is time that we in Andover realize that the administrative and teaching staffs of the school system are a valuable resource in the lives of our children and offer them a vote of heartfelt thanks for their dedication and endurance in giving their best to our children despite the variety of obstacles encountered in recent years. We as parents should make a decision that, rather than sap the strengths of our administrators

and teachers through conflict and criticism, we will nurture their growth through respectful encouragement and appreciation for a job that is being expertly, and effectively, done.

Joan W. Gilliatt
4 Tobey Lane
Andover

Designated
National
Landmark

Officials of the American Society of Civil Engineers have notified John C. Collins, Director of the Massachusetts Division of Environmental Health that the Division's Lawrence Experiment Station on Shattuck Street has been designated as a National Historic Civil Engineering Landmark.

The decision to designate the Lawrence station was unanimously voted upon by the organization's Committee on History and Heritage at its national meeting in New York recently.

Charles A. Parthum, Senior Vice President of Camp Dresser, McKee, President of the Boston Chapter, Simon Kirshen, Chairman of History and Heritage and Lee Worth, Stone and Webster Company are handling presentation ceremonies for the organization.

"We are delighted that the Lawrence Experiment Station will be designated as a National Landmark" stated Mr. Worth. "The station and its dedicated employees have contributed much to the advancement of better health for all the peoples of the world."

Olesen

(Continued from Page One)

mittee, his voice will be the only one "consistently to express the will of the people, so positively mandated by the town elections of 1973 and 1974."

Olesen said:

"During the last few weeks, mounting support from family, friends, and the Andover electorate has guided me in my decision to remain as a member of the School Committee. This support has strengthened my resolve when I might have faltered. I am grateful to so many people who have indicated that my continued service on the School Committee will give them a voice and a vote on deliberations vital to the education of the children of Andover."

"There has been much pressure applied, both directly and indirectly, to drive me out of office. These pressures include assaults on my integrity, late night telephone calls, damage to personal property, and other intimidations. As frightening and fearful as these matters can be, they are diminished by my concern for the implementation of the policies of the School Committee. Therefore, I have decided to fulfill the obligation I sought more than one year ago to represent a concerned point of view."

"A hint of how future events might develop has been disgracefully demonstrated the past weeks in June. Since the meeting of June 3, neither Mr. John Lyons nor I were informed of subsequent committee proceedings, except for the regularly scheduled session on June 24."

"It has been past practice to allow the superintendent to produce adequate notice of committee meetings. Reports have reached me that some members of the committee have met to discuss the vital matter of appointment of a business manager. Either the meeting was held or the daily press has grossly misinformed the public. This lack of notification demonstrates to me that one man, the superintendent of schools, is attempting, once again, to silence the voice of the people by ignoring members of

the School Committee.

"As I foresee the meetings of the future, it appears, at this time, that my voice might be the only voice that will consistently express the will of the people, so positively mandated in the town elections of 1973 and 1974."

Lyons

(Continued from Page One)

did not have legal counsel in whom they had confidence. Legal matters have plagued the committee for the past year, and a new civil suit is anticipated.

Lyons, Olesen and John G. Wragg, Lyons' running mate two years ago, were named in the "secret meeting case" brought by then Committeeman William Lane last spring. One such meeting was allegedly held before those three voted to oust Assistant Superintendent Edward Regan in April of 1974.

A Superior Court judge found that the three had, in fact, held such meetings, though he said they had held them "in good faith."

Attorney James Murphy represented the committee in that losing case, and was subsequently appointed special counsel. He was paid from a \$5,000 account state law allows for school committee counsel.

However, April Town Meeting turned down the \$5,000 special counsel fund for the 1975-76 school year.

At the May meeting, Olesen moved that \$5,000 be transferred from non-academic accounts for special counsel. Chairman Frank Griggs, who has generally voted the conservative route with Olesen and Lyons, sided this time with newcomers David Ahouse and Elaine Viehmann, to defeat the motion.

They voted instead to accept Assistant Town Attorney Fredric S. O'Brien as school counsel, a move Olesen and Lyons found unacceptable.

Alexander von Humboldt explored northern South America for five years, 1799-1804, where he collected, classified and sketched 12,000 plants, discovered 600 new species and interpreted interrelationships between life and earth, the Massachusetts Audubon Society says. Charles Darwin said Humboldt's exuberant descriptions of the tropics inspired his own, entire career.

At the time, Griggs indicated that the vote didn't preclude special counsel, should the committee be taken into court.

A possible civil suit brought by Regan was in the wind, however, and the next week Olesen and Lyons made their resignation announcements.

Last week Lyons went along with Olesen's motion that counsel of a committeeman's choice be appointed the minute the committeeman was named in a law suit. That motion was defeated 2-2, however, by Ahouse and Viehmann, who charged they were being "pressured." By then, Griggs was out of town for the summer.

Lyons said afterward he was still mulling over his decision, but walked into the Town Clerk on scheule Monday.

In addition to his concern over counsel, Lyons' business management consulting business had been threatened and his house pelted with garbage, and cars had driven over his lawn at high speeds.

Anderson

(Continued from Page 19)

transcripts which gave the first solid testimony in the Watergate crimes. He was first to report that President Nixon had no advance knowledge of the Watergate break-in, but had participated in the Watergate cover-up.

Long before the Watergate scandal broke, Anderson dug out the story about Howard Hughes' \$100,000 cash payoff which was delivered by a Hughes emissary to Bebe Rebozo at Key Biscayne in San Clemente.

In 1972, Anderson received the Pulitzer Prize for proving that President Nixon and Henry Kissinger had lied to Congress and the public about the U. S. tilt toward Pakistan in the India-Pakistan conflict.

The addition of the Anderson column to the Townsman represents an ef-

fort to better serve our readers.

Attention and policy of the Townsman will remain devoted to local news and issues, but the opportunity to present Anderson on an exclusive basis to this area, is felt to be in the interests of our readership.

His hard-hitting, investigative work, always steeped in controversy,

offers, we think and opportunity to present views on the national and international level, to enhance our local coverage.

Anderson's "Weekly Special," designed specifically for the weekly press, begins this week opposite the editorial page and will be found regularly within the editorial and opinion area of the paper.

LEGAL NOTICES

Commonwealth of Massachusetts
PROBATE COURT
Docket No. 310790

Essex, ss.

To AMERICAN EMPLOYERS' INSURANCE COMPANY of Boston in the County of Suffolk surety on the bond given to said Court by said EDWARD R. FITZGERALD of Des Moines in the State of Iowa and JOHN J. RYAN, III of Haverhill in the County of Essex, Guardians of SUSAN MARY HAYES, MICHAEL WILLIAM HAYES, CYNTHIA ELLEN HAYES and STEPHANIE ANN HAYES of Manchester in the State of Connecticut, minors and to all persons interested in said SUSAN MARY HAYES, MICHAEL WILLIAM HAYES, CYNTHIA ELLEN HAYES and STEPHANIE ANN HAYES, minors.

A petition has been presented to said Court by Edward R. Fitzgerald and John J. Ryan, III praying that said American Employers' Insurance Company may be discharged from all further responsibility as such surety and that said guardians may be ordered to furnish a new bond.

If you desire to object thereto you or your attorney should file a written appearance in said Court at Salem before ten o'clock in the forenoon on the fourteenth day of July 1975, the return day of this citation.

Witness, ALBERT P. PETTORUTO, Esquire, First Judge of said Court, this eighteenth day of June 1975.

52 MAIN STREET, ANDOVER, MASS. 01810

Agreements Awaited As H-P Obtains Permit

Contractors for the new Hewlett-Packard plant in West Andover obtained a building permit for a \$6,800,000 building Monday, but the selectmen Monday night said the issuance of the permit does not authorize the town's construction of the trunk line sewer to the industrial site.

Several problems remain to be negotiated between the town, the medical-electronics firm and Arkwright-Boston Insurance Co., owners of the industrially zoned land.

Main problem to be negotiated between the town and the company appears to be the location of a chain link fence, which the firm wants for security reasons and the town objects to its placement within the buffer zone bordering the Merrimack River.

Also, the town has yet to resolve a problem among the contractors on the sewer project, a matter of bid interpretation now in the hands of the state Department of Labor and Industries.

The selectmen had indicated previously that the issuance of the building permit would trigger the awarding of the sewer construction contract for which the town has appropriated \$2.5 million which appears sufficient for the project.

Monday night, the selectmen discussed the various agreements worked out between the insurance company and Hewlett-Packard and said that all agreements have to be executed and in escrow before a contract is awarded for the sewer line.

Selectman Alan F. French noted that several problems and concerns remain to be negotiated, and we are making progress.

Town Manager J. Maynard Austin, in response to a question from the selectmen said neither H-P or Arkwright, had made formal request for the sewer line construction to commence as yet.

Main problem appears to be the perimeter fence.

H-P officials in Waltham and at the parent offices in California have been informed of the objections of the selectmen to the fence in the area which has

Plimoth Plantation, the living folk museum of the 17th century, Plymouth, reopens its exhibits on April 1. The exhibits include two houses adjacent to State Pier near Plymouth Rock; The Mayflower II, berthed at State Pier; and the Pilgrim Village where authentically costumed people portray daily life as it was in 1627. The Plantation is open to the public daily 10 a.m. to 4 p.m.

been designated conservation and buffer zone along the river bank. The fence is in the vicinity of the conservation trail along the river.

No response has been received from the corporate offices in California, according to information received by local officials as of Monday.

Most other points of agreements between the town and the firm appear to be near completion and ready for signing.

The awarding of the sewer construction contract, presents other problems.

The low bidder J. F. White Construction Co., proposed to do the work for \$1,984,000. The second low bidder, J. D'Amico, submitted a bid of \$1,998,015 for the work but made an error in his submitted proposal.

D'Amico included the word "eight" in the wording of the contract and the numerals "80" in figures submitted on the bid. If the error is accepted at the lower amount, D'Amico would be the low bidder. If the higher amount is accepted, he remains second low bidder.

Both contractors are desirous of obtaining the contract, with D'Amico willing to settle for the lesser amount in error, in order to obtain the work.

The town has submitted problem to the state Department of Labor and Industries for a ruling, which is not binding, but hopefully will resolve the manner in which the town can proceed with the contract.

The contract should be awarded by July 20 to meet bidding laws.

Still awaited in the sewer construction project is the decision of Lawrence on what they wish to do with the flushing of backwater from the city filtration plant. Originally the city had indicated a desire to pipe the water across the river to the new Andover trunk line.

Now, an alternate method, which would utilize Methuen lines may be more economical to the city.

No decision has been made on this portion of the project, as of midweek.

In addition to the perimeter fence, the town has been working on conservation grants and terminology of loans to assist the town in interest payments on the sewer trunk line bonds. Easements have also been worked on.

All of these seem to be in order and ready for signatures, with only the fence being a problem at the moment.

Town Manager Austin said Monday that the Division of Waterways had issued a permit of approval for the path of the sewer line and Chairman Milton Greenberg added that the approval was due to the work of Rep. Gerald Cohen who had moved the process along.

Y Trip Club

The third week of programs in the Andover-North Andover YMCA Trip Club for boys and girls, ages 7-12, has been announced and registrations will be accepted beginning Monday, July 7. On Monday, July 14, the group will travel to Kingston State Park, Kingston, N.H. for a cookout, outdoor sports and swimming.

On Wednesday of that week,

the 16th, a deep sea fishing trip out of Seabrook, N.H. will be the feature on one of the Eastman's party boats. An ocean swim will be included. On Friday, July 18, the group will tour Logan Airport and will also visit the Stoneham Zoo and get in a swim along the way.

Registrations for the above will be accepted only at the office of the new YMCA building at 165 Haverhill St., Andover.
